EDITORS RITA / TIM COLSON N2VZD@AOL.COM (PLEASE SUBMIT ALL CLUB MATERIALS TO THIS ADDRESS)

PRESIDENTS COLUMN

'Twas the night before Christmas and all Corvaair owners were sound asleep in their beds with dreams of Corvaair parts in their heads. There rose such a clatter they ran to the window and threw up the double pane glass and much to their surprise a Corvaair power helicopter landed on the roof with a load of parts they had ordered last week. As the chopper lifted off he hollered out Merry Christmas and I'll put it on your credit card! I want to remind everyone to have your meal selection to Rita for our Christmas/New year meal. Please every one, bring your ideas for this year Recall, as a team we can make it a great success. I hope everyone has looked hard in his or her boxes of Corvaair parts to make our demo engine display. We need to let Tim know what we have so he can plan the project. Our meeting In December only had six people for the meeting; hope to see **everyone** at January's meeting

DAVE'S FIRST VAIR

CORVAIR POWERED!!

How True It Is...

Another year has passed
and we're all a little older.
Last summer felt hotter
and winter seems much colder

Hi everyone!

I will try to keep a running list of the upcoming months so you can plan ahead. If you have any suggestions or ideas you would think would be fun for meetings please be sure to call or E mail me.

NEW MEETING LOCATION;

Business meetings are now at Barbagallo's 6344 E Molloy Rd, E. Syracuse
Meeting will start at 7:00 but they'll have a waitress available for us from 5:30 so we can enjoy dinner before. We will have our own room and they will give separate checks.

Jan 3rd. Business meeting 7:00 Barbagallo's, dinner available from 5:30

Jan 6th. Our After Christmas dinner at Tassone's in Baldwinsville. Menus were handed out at the boat tour and is printed in the Fan. I MUST HAVE RESERVATIONS FOR THIS ONE. When you call please have your menu choices to give me.

At the last meeting it was decided to have an additional day set aside every other month to have a working tech session. If anyone has a work in progress and needs help--- please let us know ASAP. This will start in January. If you have heated space available for the guys to work in we'll be glad to hold it there or if you don't but can bring the part you're working on, we'll find someone willing to have it at their house. If you need help in any way, PLEASE LET ONE OF US KNOW. Since all this has to be printed in the Fan, please do it as soon as you can. Don't be shy--- we're here to help each other. That said, our first working tech session will be.....

Jan 20th; working tech session---

We talked at the last meeting about using the first tech session to get the working engine project started. It was talked about just briefly at the last meeting so will all start here at our house and I'm sure we'll have lots more to talk about at the next meeting. All are welcome to attend and we'll be sure to have lots of coffee and doughnuts (and whatever) and can have one of our fabulous feasts afterwards. Tim's new garage is heated---you'll be very comfortable and what a great chance to learn from square one. We can make maps for you and have them at the next meeting and yes, we are in the country but within a mile of Rt 31 and less than a quarter mile from Rt 173. We're located at 1396 Daboll Rd, Memphis so mapquest us if that's easier for you but we'll get you here!

Feb 10th

I'm planning on our dinner at Borio's at noon. If anything changes, I'll be sure to let you all know. Hopefully they still have their Sunday buffet.

March will be another month with a tech session. I'll check with you all at the next meeting to see if you want another event that month or just combine the tech session into that since Palm Sunday and Easter are early this year. (personally I think we should leave it with a combined tech/fun day.)

If you have any ideas please let me know. Everything is always subject to change. We now will have tech sessions every other month. If there's a particular subject that would be of interest to you please let Tim or I know so we can try to run with it. This takes ADVANCE planning so PLEASE try to let us know early enough.

Rita ---- call 689-3366 or E mail ritac44@aol.com or Tim at N2VZD@aol.com

They are on mid size gm wheels.
Call Tim Colson or email me for pictures.
\$75.00 obo

TIMS NOTES (YOUR EDITOR)

RAMBLINS from the editor.

Howdy

Well another month has slipped by us already.

We have had some great times this year already, shows , trips , and other meetings including fun and of course *food!!*

We hope to do lots more of the same type of fun things next year..

Be thinking on our proposed display engines to take to shows.

Maybe 2 would be in order. a cutaway unit and a running one.

We should build a trailer to put both on and the stuff to support the running one. Anyone have a junk snowmobile trailer??

More input?? Sure would catch attention!! I hope this idea flies , but someone else is going to *have* to help with it. It's a dirty job , but I bet it would become famous in a hurry around here!! plus it will be a darn good learning experience for a lot of people helping with it.

How much can YOU help with this project?? If we all pitch in resources , we can make this a super display at a very minimal cost. I am still scramblin to get my shop usable for the January tech meeting. A long way to go yet , but there is still hope. I hope to do a "dirty hands" (I have rubber gloves) type session. The pictures below show the engine in my lakewood I propose to use. We have to remove it and clean it up. It will not need rebuilding , but *maybe* remove the heads to check valves etc. Come to the next meeting to hear more about this.

Do we have any graphics artists in the group that could help with design and construction , of a nice large (well , one that fits in a car or van) sign to take to shows?

We sure can keep busy this winter , if this all comes together.

Please Call me or show up at the next meeting.

We now have a very nice club website together with Lenny's brother doing the hard part for us.

Please come to the next meeting .

Until next month

. Tim Colson

(315) 689-3366 or N2VZD@aol.com

RAW MATERIALS FOR DISPLAY ENGINE

The meeting of 12-6-07 was called to order at 7pm.
The minutes of November was approved by Gloria and seconded by Kevin

Six members attended the meeting.

There was no treasurer report.

Kevin reported that our investment was in the black even though the market fell.

Old business

Our Recall is on Fathers day weekend.

The decision on activities for men and women were as follows

Norwich museum for the men and shopping trip to Skaneateles or Carousel for the women. Boat trip with some kind of a snack food Friday afternoon. Women to make cookies for boat trip

Saturday shopping for women and Corvair show for men.

Evening Awards banquet at the golf course. Doug to contact Golf course

Valve cover race Sunday morning.

The engine display- we need parts so everyone should check on parts they have and let Tim know.

No new business.

The meeting was adjourned at 7:50 Gloria made motion.

Respectfully submitted

Barb Robinson

Special Event

Sunday, Jan 20th

Our first real tech session will be starting our display engine, and held at Tim and Rita's, 1396 Daboll Rd, Memphis. We'll have coffee and donuts, juices, etc for the morning. Come anytime after 9:00 and later in the afternoon we'll have one of our fantastic pot luck dinners. Bring a dish to pass, I'll have drinks here. Directions and a map are in this Fan. Our Tel # is 689-3366

Kitchen Corner

By Rita

Beef Stromboli

½ lb sweet Italian Sausage
 ¼ lb ground beef
 1 (7oz) can mushrooms, drained
 1 lb frozen bread dough, thawed
 ½ c shredded mozzarella
 1 tsp parmesan
 ½ tsp garlic powder
 1/8 tsp each salt & pepper
 Brown and drain the sausage and beef.
 Add mushrooms and remove from heat.
 Roll dough out to 6 x 12 rectangle and
 Spread meat mixture. Mix remaining
 ingredients and sprinkle over meat. Fold
 dough over and pinch to seal. Put on
 greased baking sheet and bake at 425°
 For 15 – 18 mins.

Maple Apple Crunch

8 baking apples, peeled, cored & sliced
 2 Tbl flour
 ¾ c sugar
 1 c maple syrup, divided
 1 tsp cinnamon
 1 ½ c oatmeal
 1 ½ c flour
 ¾ c brown sugar
 ¾ c melted butter
 1 tsp baking soda
 1 tsp baking powder
 ½ c chopped nuts
 Combine 1st 5 ingredients with ½ c of
 the syrup. Put in ungreased 8 x 12 pan
 or 9" pie tin. Combine remaining
 ingredients with ½ c syrup and top the
 apples. Bake 350° 40 mins.

Corvair Fans

Come and join the Central New York Corvair Club. We are a fun group! We have an outing every month and a business meeting once a month. We have tech sessions every once in a while. We would like new members and new ideas. We are a very social group and wives are always invited. For more information please call Sherry or Lenny Smith at 315-697-7596. We hope to see you at the next meeting.

Directions to Colson's

1396 Daboll Rd, Memphis tel# 689-3366

From Exit 39 of the thruway; once off the exit go EAST on Rt 690 and keep to the right. Get off at the Jones Rd exit and turn left on Jones Rd. Go .3 miles to a traffic light and go straight through this--- it will now change names to Brickyard Rd at this intersection. Continue straight 3 miles. This will be a "T" intersection at Rt 173. Turn right and go 2.5 miles to next blinking red light (this is Rt 31 and Rt 173). Go through this light and take a right kitty corner road named Elderberry. Turn right at the end of this and then the first left (within eyesight at the top of the knoll). This is Daboll. You'll come to a stop sign at Kingdom Rd. Go straight and we're the 3rd house on the left (total of 1.1 miles on Daboll Rd)
