PRESIDENTS COLUMN

Recall 2008 was a success; we had 25 Corvairs on the parking area over the four days of the show. Cars were from Canada, Pennsylvania, Ogdensburg, Buffalo and Binghamton.

Thursday was the first day of the show. When we arrived at noon there were people waiting to register. Corvair friends from Canada. Later that evening everyone drove to Rachel's Lynn's for a bite to eat and some delicious ice cream. Nice showing of Corvairs.

Friday we started early for Norwich car museum. We had 16 people go through the Museum. We stopped for lunch on the drive back and when we were ready to leave had one car that didn't want to start. Appeared to be a problem with the computer over heating on the Corvette V8 powered late model. The ladies had a lovely shopping trip to Skaneateles on the lake.

In the afternoon we headed to the canal for a meal of lasagna and a boat trip.

Saturday morning Concours and display cars lined up on the outer parking lot. We had a fine mist of rain for a couple hours. It was hard to keep the cars wiped down. After the rain stopped the judges completed their work. In the afternoon all of the autocross cars lined up for a trip to Scriba fire department where Lew had set up the course. Guess Elvira took a beating as 5 different drivers drove her on the course.

The ladies had a second shopping trip in the afternoon.

Saturday evening we all caravanned to the Banquet and Awards ceremonies all enjoyed the meal.

Sunday we had breakfast at the Canal view in Baldwinsville.

The valve cover race was held on the ramp to the motel, as the track didn't make the trip to the show location. Everyone seemed to have more fun running down a concrete track.

Thanks to Phil for stopping at P&C to pick up the cake.

A very special thanks you to all who helped make the show a great Recall.

Our demo drive train was a hit; everyone liked it, although some in the motel claimed it was a bit noisy.

See you at the next meeting.

Kitchen Corner
By Rita

This month Barb Robinson was kind enough to share a couple of her delicious recipes for baked beans and pineapple surprise.

Baked Beans

1 med or lrg can Grandma Brown's baked beans
¾ or 1 c brown sugar
1 pkg pre-cooked bacon

Put a layer of bacon on the bottom of casserole dish.
Mix brown sugar and beans; if too thick add ¼ c water.
Top with bacon stripes. Bake at 350 for 30 mins.

Pineapple Surprise

1 (13oz) can crushed pineapple, undrained
1 ¼ c 1% milk
1 pkg sugar free instant vanilla pudding
1 c fat free sour cream

Mix pineapple, milk, and sour cream. Mix in pudding.
Top with sliced strawberries, blueberries or coconut,
etc. Place in refrigerator.

Here's a couple more that sounded good for summer.

Burger Sauce

1/2 c mayonnaise
¼ c chili sauce
2 Tbl dill pickle relish

Mix all and use on burgers.

Bacon Spinach Salad

5 c spinach leaves
1 c fresh sliced mushrooms
½ c thinly sliced red onions
4 slices bacon, cooked and crumbled
2 hard cooked eggs, wedged
½ c low fat Catalina dressing

Mix spinach, mushrooms and onions. Sprinkle crumbled bacon and wedges of eggs on top. Drizzle dressing.

The meeting was called to order at 7:01 by president Dave Robinson. The minutes of the previous meeting were approved. The treasurer's report was read and accepted.

Old Business: Recall--Next year it would be advantageous to have more than one person at the registration desk. Lenny was there so often that he didn't get to participate in anything else. Gloria and Rita did a wonderful job with the hospitality suite--as usual. Everyone had a great time at the moving events. Our secretary will write to Dennis Puccini to thank him for the timer. Everyone enjoyed the Norwich Museum. We need to order two more "Best in show" trophies.

Next year there should be one person in charge of the show and he/she should delegate authority. Too few people were doing too many jobs this year. Nick does not want to be in charge or second in command next year. We still have to get a gift card for Jim Smith for the website.

DUES ARE OVERDUE!!!

New Business: On June 22, there will be an outing to Alexandria Bay. We will visit the museum then go to lunch. We will leave McDonalds in Central Square at 10:15. Some of the ladies in the club have expressed the opinion that it would be nice to use some of our money to enjoy ourselves. It could pay for a picnic or a dinner. A motion was made and passed.

The meeting was adjourned at 7:53.

Respectfully submitted
Sherry Smith
Secretary

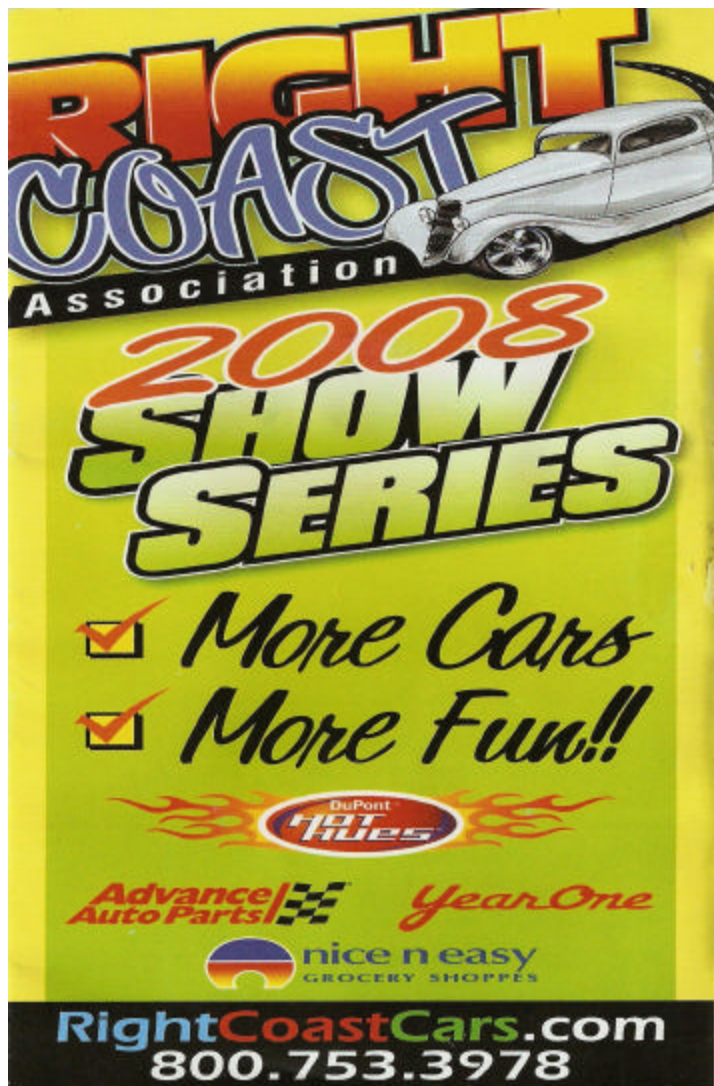

WE CANT WAIT TO HEAR PHIL'S "REPORT" on his trip to the national's in Ventura California.

he has recovered enough to have a great time. He and his daughter are out there trying to hold him down from buying every FC there. I am betting on him buying another vehicle...

His last phone call indicated that he just might , then sell off some of his present stuff..including that nice 8 door?? Now that's serious!

STAY TUNED FOR MORE ON THIS SOON!!!

Tim and Rita,

Len and Sherry presented me with a card and gift certificate from the club yesterday thanking me for the work on the web site. I would like to say thank you to the club members. I appreciate it very much. I'm having fun doing the site - and learning things too.

I would like to have any club members who have pictures from the Recall 2008 that they would like displayed on the site send them to me (either at pjsmith264@windstream.net or jimsmith@cnycorvair.com). I would like to make a page for the pictures. Also, I would like to develop the 'members and their cars' page. If anyone wants to write up something and send pictures, I will put them on the site. Other clubs might be interested in seeing what we have here.

Could you please send a note to the club members thanking them for the card and gift certificate and requesting the Recall 2008 pictures and member/cars info?

I'm sorry we missed the Recall events. We had a wedding Saturday and were trying to get the garden planted and get other thing done and... not enough time in the day. But you know that.

Thank you,

- Jim Smith

TIM'S NOTES

WOW! I am still in "information overload" **again** this month. We had an **excellent** recall this year!. Our team managed to overcome all of the curves tossed at them by suppliers at the last minute, and come up with a great time!! Many positive comments were heard. Anyone that plans on towing the display trailer around, please get a 2" ball on your hitch. I will **not** be able to move it around to many of the shows it should go to. Also, remember it is not finished!! Thanks to Dave Robinson for getting a nice sign done for it. The motor seems to run pretty good now. Of course all the short duration running tends to load it up. We will work on that soon.

We had a super tour of the Clayton Boat Museum with an expert guide. Our guide grew up in the Clayton area, with family ties in the area going back eons. He is very very knowledgeable about the history of the area and all aspects of boating. He winters in Florida, owning the largest marina in south Florida. His son and grandson manage it now while he comes back to "summer" on his 400 acre farm on an island near Clayton. He donated many of the fine boats we looked at to the museum. He spends a lot of time helping out there.

We started out with a brief overview of the thousand islands, and the importance of boating to the area. Then we worked our way up from canoes of many types, thru outboards, pleasure boats, and last but not least a whole beautiful building of nothing but speed related boats and motors of all kinds!. You sure missed a good one this time!! We had 12 lucky people, including our new members from Ogdensburg, the Akins, (welcome!) attending. We had a smooth trip all the way, with rest stops, food stop, and all. Thanks to Rita for a good planning job. Remember, when we plan a trip like this, we drive it to time it, plan rest stops, and make sure as close to the real date, that everything is ok on the route. (we hate surprises!!!) so we get to enjoy it *at least* twice. (along with the costs involved)

SO if you attend we hope things are planned for a smooth "event"

We always like input on ideas to plan for our future trips. With today's gas costs etc, we hope to run more "close in" type tours that still are interesting to the majority of the group.

I am still working every day possible out in my shop on Corvair projects. I have lots to do yet. Last week I took a day and rebuilt a differential for the "Gaffney mobile" at Rons. Ron donated the unit to rebuild and exchange. Now we are looking for a volunteer crew to have another tech session (as in install it!). let me, or Ron know if you can help. Ron has been doing a lot of work on this car to make it safe, brakes, steering etc.

I hope lots of you can be with us at the right coast show at the fairgrounds. It's always a good time, with plenty of snacking and looking going on. If you don't already know, we have a club display space in the Cagill building. JOIN US THERE.

I would like to see more tech sessions in the future, they have been fun. I hope to fire up that fancy engine on the stand soon, then start on 2 more!! Most of the parts are now here waiting. You should see the mess in my shop now!

Please plan to attend our meetings and events. Our gang does a lot of work behind the scenes to keep things going!

See you at the next meeting (yup, more food!!)

Sorry to hear about Doug's battle with a ladder (he lost!) and a broken ankle to spoil his summer.

Please see the thank you note from our "webmaster" on Page 4 great job Jim! Lots of nice comments on his work.

I think that's it (hope I did not forget something!!) for this month, I better get back to work... **See ya soon!**

WE WISH TO THANK ALL THE SPONSORS AND SUPPORTERS OF OUR CLUB AND THE RECALL. WITHOUT THE HELP THEY PROVIDE WE COULD NOT DO IT , PLUS THE WORDS" CORVAIR PARTS AND SERVICES" WOULD BE HISTORY..
