EDITORS RITA / TIM COLSON N2VZD@AOL.COM (PLEASE SUBMIT ALL CLUB MATERIALS TO THIS ADDRESS)

PRESIDENTS COLUMN

November is the time of the year for anyone who lives in the Northeast where tons of salt is used to keep the roads clear, to put our classic cars away for the winter.

I always change the oil before I park the car for the winter, even though I only have 1100 miles since last oil change, I worry about crud sitting in the engine all winter. I also grease everything, pack the wheel bearings (front). The car is cleaned and waxed and place mothballs inside to keep our little friends from nesting for the winter. When the car goes into the garage I cover the floor with plastic sheet to keep moisture from coming up through the concrete and cover it up with a nice car cover. A large tree that was close to the garage was removed this year, I worried a strong wind would blow it onto the garage. Please don't forget to keep fuel tank full and add Sta-bil to stabilize the fuel and keep varnish from forming.

Our club was very busy this year, we had the most Tech sessions since I have belonged to the club. We finished our Demo drive train and nice trailer to mount it on and make it mobile. Thanks to all who donated all the material to make this possible? We also repaired shift linkage, fuel gauges, turn signals, installed a drive train in a late model.

Thanks to Rita and Tim for the use of their garage and home.

Recall was a great success; all who attended had a great time. We are working hard on next years show.

We attended many car shows again this year and many of our cars placed well.

Our meeting THIS month we will elect new club officers, please come and vote.

Hi everyone!

Business meetings are at Barbagallo's 6344 E Molloy Rd, E. Syracuse on the first Thursday of each month. The meeting will start at 7:00 but they'll have a waitress available for us from 5:30 so we can enjoy dinner before. We will have our own room and they will give separate checks.

November 6th,

Business meeting Barbagallo's 7:00. Dinner available from 5:30

November 9th,

Our Thanksgiving dinner at Plainville Restaurant on Rt 11, just north of the corner of Rt 31. Our reservations are for noon and you can get the buffet or order off the menu. It will, as usual, be separate checks

December

No meeting or event for December

Happy Holidays!

January 4th

Our After Christmas Party. Tassone's restaurant in Baldwinsville. Sunday January 4th at 2:00. Menu is now available and is in the Nov Fan as well as at the meetings. Reservations are a must for this dinner.

January 18th

The year's first tech session will be at Gloria and Kevin's on Sunday Jan 18th 10:00. Plans are to work on Kevin's buggy and do some work on the display engine trailer. Needless to say, we'll have our usual feast afterwards so bring a dish to pass.

We already have two new tours planned for next year ,maybe three, not to mention our annual Fall tour. Sounds like it'll be a fun year.

If you have any ideas please let me know. Everything is always subject to change. We now will have tech sessions every other month. If there's a particular subject that would be of interest to you please let Tim or I know so we can try to run with it. This takes ADVANCE planning so PLEASE try to let us know early enough.

Rita ---- call 689-3366 or E mail ritac44@aol.com or Tim at N2VZD@aol.com

SOME GOOD "MAXINE'S TO SHARE

THAT TIME IS UPON US
AGAIN!!

Kitchen Corner By Rita

Turtle Pumpkin Pie

¼ c plus 2 Tbl caramel ice cream
topping, divided
1 graham pie crust
½ c plus 2 Tbl pecan pieces, divided
1 c cold milk
2 pkgs vanilla pudding
1 c canned pumpkin
1 tsp cinnamon
½ tsp nutmeg
1 (8oz) tub cool whip, divided

Pour ¼ c caramel into crust. Sprinkle
with ½ c pecans. Beat milk, pudding
mixes, pumpkin and spices with
whisk until blended. Stir in 1 ½ c cool
whip. Spread into crust. Refrigerate
1 hr. Top with cool whip, caramel and
pecans before serving.

Creamy Coffee Eggnog

1 qt (4 cups) freshly brewed coffee,
cooled
1 qt (4 cups) eggnog
1 (8 oz) tub cool whip, divided
½ tsp cinnamon
ground nutmeg

Beat coffee, eggnog, 3 cups cool whip
and cinnamon with whisk until
blended. Refrigerate 1 hour. When
served, top with additional cool whip
and nutmeg.

The meeting was called to order at 6:31 by president Dave Robinson. Last month's minutes were approved and the treasurer's report was accepted.

Old business: Recall--The Holiday Inn was approved for the Recall. Sherry will call to make sure about hospitality suite and banquet prices.

Lenny showed the new decals and club cards that were bought. We stayed within the budget given.

Gloria talked about the tours for the Recall. The Skaneateles Lake dinner cruise is \$47.50 per person. There is another dinner cruise on Oneida Lake but no prices were given.

As far as our club events are concerned: Oct. 5, tour to cheese store, Ontario Orchard and the Emporium.

Nov. 9, Thanksgiving meal at noon at the Plainville Turkey Farm (or whatever it's called now).

Dec. No meeting or event

Jan 4, After Christmas Party at Tassone's.

Jan 18, starting at 10:00, Tech session at the Fears to work on Kevin's buggy and Phil's car.

New Business: none

The meeting was adjourned at 7:00.

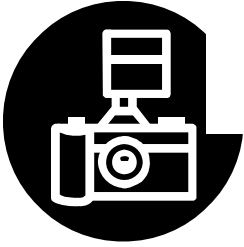

Respectfully Submitted
Sherry Smith
Secretary

PHIL HAS THIS INTERESTING VAN FOR SALE
Note the right hand battery box that looks factory. It runs , it drives , it has the late better shifter, it needs tinker time , but it is a great project van at a fair price. IT ALSO HAS A RECENT BATTERY IN IT. If not sold soon , it will be parted out!
(what a waste!)-Call him now at (315) 527-4021..

Tim and Rita,

I'm having fun doing the site - and learning things too.

I would like to have any club members who have pictures from the Recall 2008 that they would like displayed on the site send them to me (either at pjsmith264@windstream.net or jimsmith@cnycorvair.com). I would like to make a page for the pictures. Also, I would like to develop the 'members and their cars' page. If anyone wants to write up something and send pictures, I will put them on the site. Other clubs might be interested in seeing what we have here.

Could you please send a note to the club members requesting more Recall 2008 pictures and member/cars info?

Thank you,
- Jim Smith

TIM'S NOTES

HI AGAIN

This was *another* **super** busy month. Phil's Rampy is coming along nicely...so nice I would be afraid to drive it! Another project for this winter will be changing head gaskets on his 64 Spyder. (along with him building a shop to work in!)

My list of projects for this winter (and more!) is a VERY long one, with a lot of Corvair stuff and ham radio projects blending in with neglected house maintenance.

We are planning on some more very good tech sessions soon also. My shop may be kinda cramped for the winter unless I pull a rabbit out of a hat somehow. But we have several ideas to work it all out. Stay tuned and participate, that's what makes it all work.

Ron Fausak's Spyder is looking great with the wire wheels on it, and a new interior in process.

I hope more of you start taking digital cameras with you to events. I can't be at all of them, so we miss out sometimes. Pictures make the newsletter more interesting and informative! Please do your part to help.

Any news out there? Be sure to let me know, so it can be in print.

Jim is still looking for more exciting content for the website.

Well I am all toured out for this season. I hope to do better next year. I found a lot of rust and junk in my gas after filling up last time, so I skipped the vw tour. So far this new motor (which I just built for the LAKEWOOD) is doing good. It was very much better on gas and oil consumption. No oil used, and I think over 20mpg. I do have a noise in the rear like a gear noise at times. I think the carrier is worn letting the axles jump around a touch too much. It got me through two tours (including the sunken float syndrome) so that was nice. I am getting sick of having a shop full of corvairs, but showing up at tours in a waterpumper! You should have seen me "stealing" the powertrain out of the lakewood and putting it in the truck after a quick decision was made. Now I get to put it back where it belongs, make it a 140 again, then finish building the replacement engine. It was determined the other motor failed because of poor cylinder boring and one piece oil rings. The new motor has the best of it all, and is now waiting machine work on the heads. I have spent way too much on engine parts and other corvair goodies this year!! My mind and body are about fried because of all the hours in the shop this year. Thinking back, I have rebuilt 4 differentials, 3 transmissions, and a lot of heavy engine work thrown in. And I have a lot more to do yet! Some of this work should be a tech session, but until I get that lakewood running and out of the shop, there just is not enough space. Hopefully that can happen as soon as the new engine is in the truck. If I come up with a way to speed up the job somehow I sure will. (such as another engine for the lakewood temporarily) shuffle, shuffle, shuffle stuff all the time. I am getting good at it, even with a **very** sore back.

Phil's truck should be all painted and mostly together by the time you get this issue. A lot of attention to detail has been taken on this project, and it shows. I will have more pictures soon.

Rita and I will be doing "pumpkin patrol" bridge watch again this year. It is a HAM radio volunteer event to help keep thruway bridges secure during the Halloween holiday. We have been doing it many years, not without some interesting stories to tell.

BE SURE TO VOTE AT THE NEXT MEETING. I know no one reads the Fan, but if you do, please bring your ballot to the next meeting. See you there! All the hard work Has already been done, so please come and vote.

I think that's it (hope I did not forget something!!) for this month, I better get back to work... **See ya soon!**

Corvair Fans

Come and join the Central New York Corvair Club. We are a fun group! We have an outing every month and a business meeting once a month. We have tech sessions every once in a while. We would like new members and new ideas. We are a very social group and wives are always invited. For more information please call Sherry or Lenny Smith at 315-697-7596. We hope to see you at the next meeting.
