Corvair people everywhere, The 2009 CNYCC Recall is now history.. Once again we had a GREAT car event. The 4 day event was full of activities. Friday's road trip included the Herkimer diamond mine facilities, A tour thru the FX MATT Brewery in Utica, and the taste of Syracuse 2 day event. Two Penn. entrants were introduced to dinner in an ornate canopy bed. If you want the story on that one you will just have to attend next year. The new venue was more than a step above our previous host hotel. The moving events and show were held right across the rd. from the hotel so you could walk back and forth. There was as always more than enough food in the hospitality suite during the event. Trophies were given out this year (a change from plaques). A newcomer to this year's events went home with the best in show trophy. Three couples attended the complete show without their cars that were presently in the shop. Tells me we must be doing something right even in a tight economy. My THANKS go out to all our club members who put in many hours to make this show happen. Also the out of towners who pitched in when needed. That's about all I have for now except I am glad to be president of this club!-----
NICK.LOMBARDO

Thank You!

We'd like to give a huge "thank you" to each and every one of you for the beautiful clock award given to us at the convention. We've been members of CNYCC since the mid 70's and developed priceless friendships over the years and treasure each of them. Your thoughtfulness will always be remembered fondly. We're looking forward to lots of new events and activities and to our club growing each year. Again, we thank you for your kindness!
Tim and Rita

As you may have heard, Sher and I have "inherited" the editorship of the Fan. Tim and Rita were here on the 10th for "passing of the mouse". We got an intensive tutorial in the art of making a Fan. We will probably make mistakes, but will Please be patient. Or you can volunteer to do the Fan. We'll do the best we can.

Another Recall is in the books. If you missed it, you missed a great time. The hotel and its staff were superb. The weather was great, and the Fastrac parking lot across the street was excellent for the Concours and Autocross. All of our out of town guests had a great time. We filled them up with pizza and salad at the Welcome Party on Thursday night. On Friday, many departed on the tour to the Herkimer Diamond Mine. Several of the group stopped on the way back at the F.X. Matt brewery in Utica, where they were able to "sample" some history. Ask them about it when you see them. Bud and Elaine Kaiser really enjoyed the hot tub at the hotel. Mark and Lisa Guy and Sierra had to head back to Canada before the banquet, but Mark had the foresight to leave his tickets for the raffle of the steering wheel table (donated by Lew Halstead) with Todd Brown. Good move- Mark's name was drawn as the raffle winner. Todd is going to Canada in a few weeks, so he agreed to deliver it. Jenifer Mallon also was quite successful. Her name was drawn as the raffle winner of the afghan (donated by Gert Stone), and she received the centerpiece from her table. The 50/50 raffle was won by Gloria Fear, our intrepid Hospitality Suite chairperson. Tim and Rita Colson were honored with an inscribed clock for their many years of work for the CNYCC, and Ron Fausak and Dick Gaffney were honored for their years of "Corvairism" with an award in memory of Nick Ebersold donated and presented by Paul and Sharon McCreery. Paul came without one of his usual "slightly modified" Corvairs, but he was driving a SAAB SUV with a "factory-installed" GM drivetrain. He also made a good showing driving Elvira in the Autocross, along with "young-uns" Chris and Jonathan and friend Cameron, who had the Fast Time of the Day in the Autocross. Also, Dick received the "Gearhead" award from CNYCC for his extensive knowledge of Corvairs and of many other makes of cars (Essex, Hudson, etc.) that are also "orphans".

We had 18 cars for the Concours and Car Display. We had a lot of early convertibles, but the other classes were smaller, so that I took a 2nd place trophy with my yellow 64 Monza. Ron Fausak took a First with his silver 62 Spyder in the same class. Phil Domser had a lock on the FC class, since Tim had been too busy on other people's cars to finish his Rampy. A Recall without Tim with a Corvair is a very rare sight. Jerry Moyer from Pennsylvania took first place in Early Open, as well as Best of Show, with his outstanding black 64 Monza convertible. Bud Kaiser scored a First in Late Closed with his red 65 Corsa, while Bill Meyer brought his black 65 Monza Turbo convertible to take a First in Late Open. Gloria Fear won a First in Modified Open with her beautiful blue 64 Monza convertible, while Barb Reed took Second in the class with her 62 TOPLESS (was a coupe originally). Congratulations to all who received some memento of RECALL 2009. We hope to see all of you and many others next year at RECALL 2010.

MEETING MINUTES

Hi folks. Since there was no meeting in the month of June, there are no minutes to put in the FAN but we did have a heck of a time last month! The RECALL seemed to be a great success and everyone I heard say anything, enjoyed themselves. We had visitors from Canada, Pennsylvania and North Carolina. We had approximately 38 people at the banquet and more running in and out all weekend. Some couldn't stay because of work or other commitments but they enjoyed themselves while they were here. Everyone did a great job of getting things done, as usual. We really have a great club. Now if only we could get some younger blood in here to keep the tradition going.

As you know, this is the first FAN that Lenny and I are doing so please be easy on us. If there is anything you would like to see changed, added or subtracted, please let us know and we will try to do our best.

We all owe Tim and Rita a big "Thank You" for taking on this monumental task for sooo long! I'm already overwhelmed and they did it for years. Thanks, guys.

If you have any article you would like to donate to the FAN, just send them to our e-mail address and we will try to have room for whatever you want.

Thanks for now
