May, clean your car month, just sneaks up on you. Winter and gone south time is over. Everybody should be back by May 1st. The Barrett-Jackson Palm Beach Auction had one high point (a Corvaire window van sold for 28K), good money. Maybe it will spark some interest in Vairs.

I contacted the woman who chairs the Old Forge car show. She called me back and said if we get 6 pre-registered Corvairs they will have a class for us with 1st, 2nd, and 3rd place trophies.

The Recall is coming up all too soon. I haven't heard back from Mother's, Bridgestone tire or 3M about handouts.

I will address different events to go to this year at the May meeting. (I need a change of scenery).

The spring road trip looked like a good time- Kudos to Doug and Betsy. I'm sorry we missed it. We are familiar with Weeden's and Creekside. I got crazy heavy lifting up on shelves and pulled something in my knee so I spent the day off it. It's better after 2 days rest.

Well--- next week is meeting time so good bye till then. We missed all you pretty faces the last couple months. See you next Thursday.
Nick, Pres.

Hi everyone!

Business meetings are at Barbagallo's 6344 E Molloy Rd, E. Syracuse on the first Thursday of each month. The meeting will start at 7:00 but they'll have a waitress available for us from 5:30 so we can enjoy dinner before. We will have our own room and they will give separate checks.

May 6th

Business meeting Barbagallo's

November 4th

Business meeting Barbagallo's

November 14th

We have a new location for our Corvair Family Thanksgiving Dinner! Tabatha's Family Tree Restaurant in Baldwinsville will open early for us that day at 1:00 and provide us with our own special traditional Thanksgiving feast complete with homemade pies. More on this at a later date. Mark this date down now--- it'll be a great time for sure!

December---- no meeting or event

If you have any ideas please let me know. Everything is always subject to change. We now will have tech sessions every other month. If there's a particular subject that would be of interest to you please let Tim or me know so we can try to run with it. This takes ADVANCE planning so PLEASE try to let us know early enough.

Rita ---- call 689-3366 or E mail ritac44@aol.com or Tim at N2VZD@aol.com

Kitchen Corner

Ham, Mushroom and Bacon Quiche

6 eggs, beaten

¾ c milk

salt and pepper to taste

1 c shredded cheddar

3 slices bacon, cooked and crumbled

4 slices ham, chopped

1 (4oz) can mushrooms, drained

9" pie crust

Mix the cheese, bacon, ham and mushrooms and spread in pie shell.

Mix eggs, milk, salt and pepper and pour over top. Bake at 350 for 25 to 30 mins.

Apple Streusel Cheesecake Bars

1 pouch (1lb 1 1/2oz) Betty Crocker oatmeal cookie mix

½ c butter

2 (8oz ea) pkg cream cheese, softened

½ c sugar

2 Tbl flour

1 tsp vanilla

1 egg

1 (21oz) apple pie filling

½ tsp cinnamon

¼ c chopped walnuts

Cut butter into cookie mix; reserve 1 ½ c and press the rest into a greased 9 x 13 pan. Bake at 350 for 10mins. Beat cream cheese, sugar, flour, vanilla and egg. Spread over crust. Mix pie filling and cinnamon and spread over top. Sprinkle with reserved crumb topping. Sprinkle walnuts. Bake 35 to 40 mins. Cool, refrigerate.

Minutes of CNYCC meeting April 1, 2010 (no foolin')

The meeting was called to order at 7:03 PM by Vice-president Phil Domser. The minutes as they appeared in the Fan were approved. The treasurer's report was read and approved.

Old business: Recall. We passed around a list of names to see if we could personally contact members of other clubs concerning attendance at the Recall. Several of us were able to find people to contact personally and will do so. We rechecked the possibility of a rental van or bus for the Thousand Island tour for the Recall. Gloria reported that the rental van company prices were in the range of \$1000. Phil then reported that he had contacted a church group that would rent us a school bus with Phil as driver. Their price was \$250, but a motion was made and passed to pay them \$300 for the rental and as a small donation for their help. The availability of the bus will be added to the Recall information on the website. We also discussed alternate choices for those who chose not to go on the Thousand Island tour. We will offer maps and directions to other local points of interest (e.g. Turning stone Casino, Weeden's Mini-mall, etc.)

Tim offered to make available some tapes and DVDs for entertainment during the Recall.

Those attending the Jamesville Fire Department Parade on Saturday, May 29 are asked to be at the Firehouse by 10:30 AM. Lanyards for the Recall have arrived and been paid for. Discussion of trophies and awards was tabled as Nick was in Florida.

New business: None

Meeting adjourned at 7:45 PM.

Respectfully submitted,

Len Smith

Alternate secretary

We got a nice letter from Ron Fausak in sunny Florida. He attended a car show and saw an interesting show on TV.

“Hi Northern Corvair people! Today, Sat., May 13, Gert and I drove to Inverness, a two-hour trip from our abode. They held a car/craft/music show in the center of downtown Inverness. Some of the nicer cars were two Crown Victorias, one orange and white and the other peacock blue and white. Some other cars of interest were a 1950 Meteor (Canadian Ford), 1959 retractable, 1959 Chevy convertible, and a beautiful 1935 Ford woody done by the owner. Now for the Corvairs, of which there were an even dozen, six earlies, six lates. Two V-8's (front), one Corsa with the turbo piped to 140 heads. There was also a yellow Lakewood with 1964 wheel opening trim and rocker trim, and a 1964 front bar. The local Corvair club had a booth set up and their cars were not to be judged. The weather was great after two days of wind and rain. We had a bite to eat at the Cock-A-Doodle Diner next to the car show. There were probably about 100 cars in the show.”

“Several weeks ago on C.S.I. Miami there was an unusual segment in which they were looking for a vehicle that did damage to a garden by driving through it. All they had were tire prints that indicated by the narrow bias-ply tread that it was old. They also found some oil drops that were sent to the lab. they determined that the oil had high levels of phosphorus and zinc, which indicated that it was oil used in an antique vehicle. Remember ZDDP? The vehicle turned out to be a '50's GMC pickup truck. Clever those C.S.I.”

Ron

It's good to hear that Ron is having a good time with "car stuff" while in Florida. They should be returning soon to the CNYCC fold.

CORSA Corner

I have talked a lot about change lately and about a plan to make those changes. The plan is finished and I would like to take this opportunity to give you a very brief overview of it. First some numbers from CORSA's five year strategic plan.

2012 Strat. Plan Numbers Total assumed profit of convention, advertising fees, merchandise, donations, filing fee: \$11,003 Administration: \$15.48/person/year Communique: \$28.29/person/year Total: \$43.77/person/year

By 2012 we are getting too close to the \$45 yearly dues even with the estimated profits added into the equation. As I said above we will need to act to fix this by the end of the year 2012 or earlier. The two easiest ways to fix this problem are to raise dues or revert to a bi-monthly or quarterly Communique. Obviously along with one of these two options we need to continue to try and grow or sustain the membership we have.

2015 Strat. Plan Numbers Total assumed profit of convention, advertising fees, merchandise, donations, filing fee: \$12,176 Administration: \$17.59/person/year Communique: \$33.03/person/year Total: \$50.62/person/year By 2015 we are way beyond the \$45 dues level. The strat. Plan indicates that if we continue on our current course by the end of 2015 CORSA will have a budget deficit of \$32,410. Even if we opted to go to a bi-monthly Communique before that point to save money, about \$16,000 if we did it today, at a \$5/member savings, using 3903 as the number of paying members, we are still over the \$45 dues. If we could retain the 4503 members that we had in 2009 at \$45 dues, the cost per member would be \$46.08, still too much. At 5000 \$45 dues paying members the cost per member would be \$43.72/year. One last scenario, if we could do both, meaning go to a bi-monthly issue and retain a 4503 paying membership we would be at \$41.00/person/year.

I hope you can see that by just adding members, or reducing some of our expenses we are not helping ourselves that much, we need to do both together. If these numbers anger, upset, or intrigue you, go to corvair.org, click on the forms and event rules link either on the bottom of the front page or under the events and calendar info drop down menu, and read the rest of the story entitled Planning for the Future. It takes about 25 minutes to read, but isn't CORSA's future worth that small amount of your time?

April's Car Tour

On Sunday, April 25, Doug and Betsy led us on our Spring tour. We met at McDonalds in Canastota for breakfast and coffee. We had 4 Corvairs in attendance - 3 earlies (Doug and Betsy, Kevin and Gloria, and Sher and me- all 64's). and 1 late (Dave and Barb). Tim and Rita came in a water pumper because of Tim's recent skateboard/creeper escapade, while Dave McCarty left home in a rainstorm without his Rampside, and Todd Brown and Jennifer Mallon drove up from southern New York, leaving his leaky late coupe at home. The weather stayed cloudy all day, but we escaped the rain. At 9:30 AM, we saddled up and headed North on Route 13. At 9:35 and a half mile away, we all pulled over and Doug made a u-turn to go back to McDonalds to get rid of his coffee. At 9:45, we continued on and toured the village and amusement park at Sylvan Beach. Continuing in a northerly direction, we arrived at Weeden's Mini-mall. This is an indoor flea market with over 40 vendors. Naturally, shopping ensued. After the credit cards had stopped smoking, we continued west on Route 49 to Unique Woodworks, which included a display log home and a barn containing crafts and collectibles. After more money stimulated the economy, we ambled next door to the Brookside Cafe, where we had a good lunch. Meanwhile, Betsy had purchased a unique metal sculpture that was a bit too large to fit in the Corvair. Tim and Rita graciously offered to carry it in their larger car. After dessert, we continued on to the fish hatchery in Constantia. We viewed a video, looked at the displays, and went in to the "tank room", where we saw several adult fish and many tanks of just-developing walleyes. Our guide explained the process by which the fish eggs are gathered, fertilized, and hatched. This was interesting even to us non-fishermen. Then it was time to head our separate ways and return home. Thanks to Doug and Betsy for an interesting and well-planned tour.

For a hot time, call Doug at 1-800 Fireman. Doug has just completed his training to become a volunteer fireman. Congratulations, hot stuff.
