Corvaire people,

The year is half over and if you haven't done something to celebrate corvaire's 50th anniversary yet get that car out there and have fun. The club recall car event was a success. We gained 4 new members one from London Ont. .How many clubs do you know of that can boast of having members 305 miles away. I was disappointed that we didn't have more local cars show up. We did our best to get the word out. Oh well their loss. Judging is not easy when all the cars are in nice shape. The autocross and funkana saw new entrants and filled the afternoon. The dinner cruise Fri. was fun and God gave us a perfect day. The hotel went overboard even with our not to many room bookings. The banquet was great again. Anyone that didn't have a good time was either sleeping or not even there. My call to the chair of the Old Forge car show fathers day weekend got us our own class. as tribute to the 50 years. Constableville Fathers day gave us a chance to see cars you don't see everyday at other big car shows and then there is the pie booth. Lew came with the lakewood and little trailer and had plenty of questions to answer from people who didn't know corvaire even had a wagon. He and Claire will leave for the GM show at Carlisle June 23 with the same rig. They are honoring Corvairs there. So we will be well represented by one of our top corvaire tech's. There are plenty of shows left so get out and have fun. See you New England folks that read this at Bennington in July. Our next meeting is not at Barbagello's.it is a cook out -meeting at Smith's on the 4th of July. See you there.-----

We have a new location for our Corvair Family Thanksgiving Dinner! Tabatha's Family Tree Restaurant in Baldwinsville will open early for us that day at 1:00 and provide us with our own special traditional Thanksgiving feast complete with homemade pies. More on this at a later date. Mark this date down now--- it'll be a great time for sure!

December---- no meeting or event

If you have any ideas please let me know. Everything is always subject to change. We now will have tech sessions every other month. If there's a particular subject that would be of interest to you please let Tim or I know so we can try to run with it. This takes ADVANCE planning so PLEASE try to let us know early enough.

Rita ---- call 689-3366 or E mail ritac44@aol.com or Tim at N2VZD@aol.com

Thank you everyone!

I'm happy to report that I'm home and well on the way to recovering after my fall.

We most definitely have been blessed with the friendship of countless wonderful friends!

I'm totally overwhelmed at all the cards, calls, E mails, flowers, hospital visits, meals and expressions of help from all of you. Each one has meant so much to both of us.

I'm working hard at trying to "get back to normal" and hopefully will be able to attend our meetings and events again soon.

Again, I thank each and every one of you for all your kindness.

Rita

Secretary's Report

Due to the Recall there is no secretary's report this month.

July Meeting

Our July meeting date and time have been changed. Please note that the meeting will take place on July 4th at the Smith house where we will be having a big picnic. The time is around one or two o'clock. The meat and drinks will be supplied and the rest is pot luck. Bring your favorite dish.

If you need directions to the house, contact Sherry or Len at 697-7596. Thanks a lot. Sherry

TIM'S TECH TIME AND RAMBLIN'S

WOW! I am still in "information overload" **again** this month. Back again, with continuing sagas in my shop, and other "stuff". the last month here has been "different?" with Rita falling, injuring herself, ending up taking a ride in Jordan's ambulance (stolen from the parade by the call) on memorial day to the hospital for a week, and slowly recovering.

On my shop front, I found out the powerglide on my rampy is having a crazy problem upshifting after it gets warmed up. I have tried ALL possible external and a couple internal fixes, with the problem still there. This, along with some sort of timing gear type noise has set me back AGAIN. So now I have rebuilt a correct HD (355 pg) differential, another powerslide, and am in process of a new "mystery" motor. I hope this setup works better than the past ones. The WB (64 FC with PG) motor I bought cheap used, is going to be a core for another motor soon. I ran it a very short time, to check oil pressure and other problems. The fact that one needle in a carb was laying on the bottom of the bowl, and both accelerator pumps had no springs or clips on them, made it a challenge to run it a few seconds (well maybe one minute) to check it out. Some of the things you find on stuff that has been sitting a long time is fun!! Anyhow, I feel like I did better than a lot of my past deals on this motor and differential, so I was very happy!

I ended up replacing all bearings and seals in the differential, and took a few pictures to show the tools I use doing this job. I will be doing another differential very soon, a 3:27 for the crampy. It is apart waiting now.

The coupe is waiting for me to finish under dash wiring, muffler hangers for duals with stock mufflers on 140 manifolds etc, and putting the A/C back together.

So, as you can see, I am still hard at it out in the shop! My goal is still to get the truck and couper in very good mechanical shape, then maybe tackle body work myself also.

I am redoing a couple of buckets for the coupe with Clark's corvair kits, and a set of heaters. (in my spare? Time)

Just got a nice phone call from Phil Domser out in Beatrice Nebraska after his running the red "retired" fire dept corvan in the parade there celebrating the 100th anniversary of the fire dept. he said the people there loved it. So he and daughter Megan had a lot of fun at the town "party". HOPEFULLY he took a lot of pictures with his new camera. From there they head for the CORSA 50th year of corvairs celebration in Cedar Rapids, Iowa. I *hope* to have a picture report in this newsletter next month.

I hope we all remember to thank the vendors who GAVE us trophies, and door prizes for the "RECALL" and bought space in the program. Thanks to all who attended, and worked hard on it also.

I still have a lot of hard work ahead on corvair stuff, so my ham radio antenna work will wait a little longer yet.

Hope to see you all at the picnic.

WELCOME TO OUR NEW MEMBERS!!!

Thank you all for the cards and flowers that were sent to Rita!

I think that's it (hope I did not forget something) for this month, I better get back to work, someday you MAY see **me** driving a CORVAIR... **life is a real hoot sometimes! See ya soon!**
