MERRY CHRISTMAS

President's Column

Happy Thanksgiving to all CNYCC members,
Winter is closing in on us in high gear. Most of us have gotten our cars tucked away by now. BUT! Now is not the time to stop thinking about them while our fine government is continuing to find ways to destroy our hobby and the cars we all love (after GOD and family naturally). I am talking about ethanol folks 15%. This is going to be the downfall of our clubs and the sure fire way to get our antique and classic cars off the road. I know this is the month we celebrate Thanksgiving, but we also have to take care of business and that is to let our government know that we are not believing all they are trying to feed us. First they mess with oil additives now it's gas formulas. I am forwarding a monthly notice from Hagerty ins. to everyone on my list. Scroll down to where it says myths & realities about ethanol and fill in the section giving your opposition to any change without full testing. In turn I would hope you send a letter to your local rep. in fed gov. A personal letter goes a long way. If you have other classic car owners on your E list forward it. So much for that. We have completed club elections for next year. The new officers are listed in the minutes from the Nov. mtg. in this month's Fan. We don't have a Dec meeting so have a great CHRISTMAS and remember who gave us these cars and the ability to work on them.-----Nick Lombardo pres.

ACTIVITIES

Hi everyone!

Business meetings are at Barbagallo's 6344 E Molloy Rd, E. Syracuse on the first Thursday of each month. The meeting will start at 7:00 but they'll have a waitress available for us from 5:30 so we can enjoy dinner before. We will have our own room and they will give separate checks.

December---- no meeting or event

January 6th — Business meeting Barbagallo's

January 9th

We'll have our After Christmas Dinner at Tassone's. If you didn't already get one at the last meeting, the menu's included in the Fan this month. Hope you can all attend as we always have a great meal and good time after all the Holiday hub bub is over! Reservations are needed for this event also so please call, E-mail or hand us your choice of meal.

February and March

Hopefully we'll be able to have tech sessions planned for these two months.

February 2nd — business meeting Barbagallo's

If you have any ideas please let me know. Everything is always subject to change. We now will try to have more tech sessions. If there's a particular subject that would be of interest to you please let Tim or I know so we can try to run with it. This takes ADVANCE planning so PLEASE try to let us know early enough.

Rita ---- call 689-3366 or E mail ritac44@aol.com or Tim at N2VZD@aol.

Directions to Tassone's

Tassone's is located right on the corner of Dexter Parkway and Rt 370 in Baldwinsville directly across the road from Cooper's Marina. From the south, take Rt 690 north and go to the 2nd Baldwinsville exit (this will be Rt 370). Turn left off the exit and go about 1/2 mile. It'll be on your left. From the west take Rt31 to the 690 interchange and take it north over the river to the Rt 370 exit, left off the exit and go about 1/2 mile on the left. From the east take Rt 31 to the center of B'ville — go straight and continue on Rt 370 west — it will be on your right about a mile (or less) from the 4 corners in B'ville. If you need help getting there, you can call Tim's cell at 415-4243 or Rita at 412-1880.

Once again, I absolutely need reservations for the head count for the restaurant. It's always a good time since all the Holidays are over and we can just sit back and relax! Please call Tim or myself at our home number 315-689-3366 if you can come and with your meal selection. Hope to see you all there!

Kitchen Corner By Rita

Marmalade Baked Ham

1 3 to 4 lb boneless ham

12 – 15 whole cloves

1 can beer

¼ c brown sugar

½ c orange marmalade

Insert cloves into ham. Pour Beer over top. Rub brown sugar over top. Cover and bake at 325 for 1 ¼ hrs. Remove and spread marmalade over top. Bake uncovered for an additional 15 to 25 mins.

Asparagus Stir Fry

2 c uncooked instant rice

2 c water

1 tsp oil

3 carrots, sliced

1 sml onion, cut into 8 wedges

1 lb fresh asparagus, cut into 1" pieces

1 (8oz) pkg whole mushrooms, quartered

1/3 c water

1 tsp grated lemon peel

¼ tsp thyme

¼ tsp pepper

Cook rice and water as directed. Heat oil; add carrots and onions; cook 2 mins. Add remaining ingredients, stir in, cover and cook on medium for 2 to 3 mins. Serve over rice.

A big thank you to Nick, Sherry and Len for your service as our previous president, secretary and treasurer. We appreciate all the help you've given to the club.

Secretary's Report

The meeting was called to order at 7:07 by President Nick Lombardo. The treasurer's report was accepted and the minutes of the October meeting were approved.

Old Business: Recall--Door prizes are needed by Barb Robinson. The hotel and banquet room have been booked for the second weekend in June. Please note that this is a change from our usual first weekend. Doug Dunlap will write up an ad for the Communique. Nick will look into getting some calendars and the trophies.

Kevin Fear brought up the idea of possibly getting together with the Acorn Corvair Club sometime after the holidays. We could meet at a restaurant half way between the two cities. A motion was brought up, seconded and approved. Kevin will take care of the details.

New Business: This is the time of year that we elect new officers. Since Nick says that he will not run again, we need a new president. Phil Domser was nominated and unanimously approved. No other nomination were brought up.

Since Phil was our Vice President, we now need to fill that office. The nomination went to Pete Okussick, a fairly new member and was again unanimously approved with no other nomination given.

Since Sherry and Lenny Smith are moving to Georgia, the offices of Secretary and Treasurer are now vacant. The nominees are Pam Okussick for Secretary and Kevin Fear for Treasurer. Again, there was no opposition.

If there is anyone who would like to volunteer for one of these positions, please contact Nick.

Please remember the Thanksgiving party on November 14th at Tabitha's in B'ville. The map to Tabitha's was in the Fan. Lunch is at 1:00.

There was a motion by Rita to give our regular waitress \$50 for Christmas. The motion passed. The meeting was adjourned at 7:47.

Respectfully Submitted

Sherry Smith

Secretary

Those attending the November meeting were Barb and Dave Robinson, Gloria and Kevin Fear, Tim and Rita Colson, Len and Sherry Smith, Doug Dunlap, Lew and Clara Halstead, Dick and Tina Gafney, Nick and Jane Lombardo, Phil Domser, Pete and Pam Okussick and Dave McCarty.

Dear Car Clubs,

On May 22, 2011 our School's Parent Teacher Association (PTA) is hosting a show to raise money for student activities. The show is open to classics, modern customs, 4X4, race, motorcycles, etc. Our Web address is www.kskcarshow.com

Below is some brief information about the show. Can you please share this with your members? Our website has entry forms, and will soon have information about local accommodations, and we can offer group rates for your club. Approximately 75 Clubs have been invited between Rochester and Syracuse. This is an excellent opportunity to connect with old friends and network.

Thanks for your support.

Jeff Hamelinck

2011 KSK Car Show Chairman

Entire Show Area is on Paved Surfaces

Sunday, May 22, 2011--11:00-4:00, Registration starts at 9:00

TIM'S TECH TIME AND RAMBLIN'S

GREETINGS , from the little shop in Memphis , NY.

This last month was sure a full one here. I am still working as often as possible in my shop.

The dune buggy photos are from a long lost friend (and his brother who was in my class) now in California. Just about all of them are Corvair powered , and used hard in the sand.

Not too much new here in my shop , but I am sure busy on several interesting projects , my own , Phil's , And now amateur radio things.

We now have Phil , Doug , Dave Robinson , and myself as licensed radio amateurs. If you go on the web , you will find a lot of people in both hobbies. You can see a lot more about this at http://corvair.de/corvair_ham/corvair_ham.html

Phil is selling his special heads and buying my 4 carb motor to install in his loadside. I will be building a new version of this motor soon.

The guy with the dune buggy's sent me an email remembering me pulling air under the front tires in the first 2 gears frequently with a version of that 4 carb motor I built back in the 60's. Wish I had pictures! We sure had some fun with cars in those days. Lucky we survived it all.

This winter in my shop , I will be working on Phil's loadside , with a long wish list , and some large ham radio antennas for a club , and maybe my coupe. I just parted out a 63 greenbrier for Phil , for parts he needs , and parts to help me with the crampside disaster project. I spent many hours removing a lot of good stuff from that carcass. Then I cleaned all the hardware up , and put it away. That is a lot of work! I was hoping to get it out of here before snow , but I missed the deadline...The slop is here! We had plenty of rain , then a small amount of "slop, wet snow" that caused a lot of highway fun , by the sounds of the 911 center scanner.

Boy I think we found a great new spot for our thanksgiving feast! If you missed it , you had your priorities messed up! It was super, just ask around. Several said they were unaware of this neat place , and would be back. For more soon. Very nice people , serving great food home style. And the Desert table!!!!!! Stupendous. The other bonus , was the weather was great! Some even drove Corvairs! We only had 1 reservation (thank goodness!) not show or call.

Next we have our annual "after Christmas " dinner at Tassones to look forward to. Always a good time.

If there is any interest in a very good car 110HP powerglide motor, I have everything here ready to build soon. All parts are very low mileage , and it should be a good running motor. It will be run and all dialed in before it leaves here. I just need to make room. If you are interested in details about it , let me know .

Be sure to keep looking at the website www.cnycorvair.com for updates! Also look at <http://www.corvair.de/n2vzd/>

If anyone knows how to contact the Zintek boys (Dave or Al) , please let me know.

Sorry to see Len and Sherrie moving south , they will be missed by our club!

If you have any connections at N A P A , ask now for next years calendar. It features a late convert that is owned by a member of our other club , V I C E. they are hard to get right now. It depends on each store's budget .

See you at our next get together.

We almost got to 4000 miles on the rampy this year , in spite of the shortened season due to injuries etc. We had a lot of nice day trips with it.

Have a great holiday , and do not miss our dinner!

WE WISH TO THANK ALL THE SPONSORS AND SUPPORTERS OF OUR CLUB AND THE RECALL. WITHOUT THE HELP THEY PROVIDE WE COULD NOT DO IT , PLUS THE WORDS " CORVAIR PARTS AND SERVICES" WOULD BE HISTORY..

Trade Motorhome for good Corvair driver with air.

I mentioned this to our CFC club at the last meeting, I have this Class C motorhome on a Chevy G frame, I have had it for 2 1/2 years and its not getting used enough, my wife does not like to travel or camp in it and I only use it to go racing twice a year.

Its in good shape, nice paint, roof and cab air, Onan 4.0 gen. everything works stove, frig, micro wave, TV with digital converter box, furnace and water heater.

Its a 1986 24ft Honey with 350 engine 3 speed automatic, it runs good now, did have some problems caused by ethenal fuel (clogged up filter) also cleaned Gen. carb and added filter. The system is clean now. This unit has no leaks (at one time it did but repaired) It was in good shape when I got it and have made a few upgrades since.

So if you have a good driver with air and are interested, let me know. A local RV service said it was valued at \$7,000 - \$8,000 that was a year ago.

Gene Barr
(352) 735-0949

I found two more Corvairs at the U-Pull-It yard at 7030 Myers Road in East Syracuse 13057 315-656-7533. They both appear to be '69. Both are 2-door automatics. One red and the other white. There are a lot of good parts left on these and I hate to see them go to the crusher. The glass is good and there are at least two good doors. Bumpers need chrome but otherwise good shape. No engine in the red one, auto trans in the back seat. White one has engine and transmission intact but no carbs. Both have AM radios but the knobs are gone. Good instrument clusters. Neither has any interior parts of any value.

Please forward to any Corvair enthusiasts that could use some parts before it's too late.
