THE PREZ SEZ

Another beautiful month has come and gone. Since our last newsletter, we had a good turnout from our club members for the Corsa Convention that was held in Sturbridge, MA. The host club or clubs that put on this show did a fantastic job. Excellent hotel, a great job on all events and a great turn out of parts vendors. A good time was had by all who attended. They also had over 200 Corvairs that were entered for various events or for the car display. Once again, super job to the organizers of this year's show. Also, great entertainment at the ice cream social (Cobblestone Crossing).

On August 19th, we had a cnycc car cruise to Weedsport NY. We toured the DIRT race car museum, a great place to visit. After the museum tour, we did what our club does best, EAT. The restaurant served great food and plenty of it. After lunch, we traveled to an ice cream parlor and got more to eat. The weather was great that day and we all had a great time, thank you Rita for setting up this tour.

Up coming events. Our next regular meeting at Denny's N. Syracuse on Thursday September 6th. Wampsville NY car show to be held on Sunday September 9th a great show and flea market. Our picnic to be held in Vestal NY September 15th, chicken from Phil's Chicken (great name and super Chicken), Jordan NY car show on September 23rd, downtown Jordan NY. Home made donuts, chicken BBQ, great ham sandwiches on rye, book sales. A great show which usually has a super club turnout.

It's been a great summer for the club. Couldn't make the VW show this year, but those in attendance had a great time. Haven't bought any new Corvairs lately, but always looking (Stinger) (more work for Tim in downtown Memphis NY). Dave McCarty, hope you are doing well after your surgery, hope you are up and about. Hope to see most of our Members at our next meeting. Phil CNYCC

On Saturday, July 7, I went to the swap meet held monthly at Atlanta Dragway in nearby Commerce. The weather was warm but the humidity was down. Lots of parts and a bunch of cars for sale, but nothing Corvair-specific. I wandered the aisles and took pictures of some of the cars for sale and some cars in the parking lot. I didn't see anything that I liked better than my money, but it was a fun and inexpensive way to spend a Saturday morning. See our website for photos

The weather has been really hot and humid here (just like Central New York has been experiencing), so we haven't been attending any car shows here. Neither of us wants to be out in the hot sun when the temperature is at 90 degrees by 11 A.M.. We did get a few cloudy and cooler days at the beginning of August, so I went to the swap meet again on August 4. Again, no Corvair-specific parts, but lots of other parts and tools and a new crop of project cars for sale. There were also some cars on display, sort of a mini car show. Look on our website for some examples

Sher and I rolled into downtown Maysville on the 11th for the monthly cruise-in. As far as I can tell, we were the only ones there from central New York. There were about two dozen cars of various makes and years, but no other Ramblers or Corvairs. We wandered around, talked to people, and took pictures (see the website). We hung around for a while and then went home to enjoy the air conditioning.

CONGRATULATIONS BUD AND PHIL !!!

Those of us at the Corsa National Convention had the honor to see not one but two of our members receive the prestigious award of being named to senior status for judging! Bud Keiser with his '66 Corsa and Phil Domser with his '61 Rampside both were awarded this prize for their beautiful Corvairs. Congratulations from all of us guys — we're very proud of your achievement!

ACTIVITIES

Business meetings are held at Denny's Restaurant, 201 Lawrence Rd (corner of Lawrence Rd and South Bay Rd) in N Syracuse. The meeting will start at 7:00 but our waitress is available at 5:30 so you can have something to eat before the meeting if you'd like. Meetings are in the back room, we're given separate checks and if you have an AARP card you can get a 20% discount on your meal.

Sept 6th

Business meeting Denny's

Sept 9th

Wampsville car show. Since I don't think the new owners of Len and Sherry's home would like us invading, we'll meet at McDonald's at the thruway exit and caravan to the show from there. Caravan will leave at 9:30.

Sept 15th

Picnic, Arnold Park, Vestal NY. All details and directions elsewhere in the Fan

Sept 23rd

Jordan car show at the Jordan Festival, registration form is now available and is printed in this Fan. Be sure to come early so we can all park together. It gets crowded fast and saving spots is harder every year.

Oct 4th

Business meeting Denny's

Oct 6th

Windmill car show. One of the two they have each year. Not an actual club event but a very nice show to attend. The Windmill is an Amish run craft sales location with tons of shops, food, bakeries, etc. No shortage of things to do there. You can see it on line at www.thewindmill.com

Oct 7th

Our Fall tour date. TBA but save this date for a fun tour.

Nov 1st

Business meeting Denny's

Nov 11th

Our annual Thanksgiving family style dinner at Tabatha's in Baldwinsville. Meet at 1:00 and she'll plan on serving about 1:30. We have a dinner of turkey (light and dark meat), dressing, mashed potatoes, gravy, butternut squash, green beans, relishes, tossed salad, and rolls. Price includes beverage of coffee, tea or soft drink and homemade pies — this year we'll have apple, pumpkin, chocolate cream and coconut cream. Please let me know if you'll be able to attend so I can give her a head count. Price includes tax and tip. Adults — \$22.75 Children — \$10.55

December

No meeting or event. HAPPY HOLIDAYS!!!

If you have any ideas please let us know. Everything is always subject to change. If there's subjects or projects you'd like covered at tech sessions, please let Tim know so we can plan that too. This all takes advance planning so please try to let us know early enough so we can make our events what you'd like. Call Tim or Rita at 689-3366 or E mail Tim at N2VZD@aol.com or Rita at ritac44@aol.com

TIM'S TECH TIME AND RAMBLIN'S

GREETINGS AGAIN, from my little shop in Memphis, NY.

Along with the continuing saga of the green Loadside, I have been doing a few things to the Lakewood, which has been waiting a long time. I am trying to finish up work needed under the car. Then it goes back out in storage for now, and the Crampside comes in that spot, up in the air for a very long time. I have a long list of work to do to all of MY vehicles, and parts waiting.

So far this summer we have been a part of many fun events, both ham radio and Corvair. We had a very good time at the CORSA nationals. The "Cobblestone Crossings" with members, from C N Y C C were well received at more than one event there. Phil, And Bud were winners of very prestigious awards at senior levels. Louie had fun at the moving events held at a nearby track. I had fun buying parts I need for this winters plans in the shop at bargain prices. I also got to put my hands on the fabulous Fitch Phoenix again, after many years!. It was fun renewing many old acquaintances from our many past CORSA conventions. We attended a few meetings, including Virtual Vairs, Newsletter editors, Group Ultravan, Corvanatics, CORSA annual meeting, and other seminars.

Our summer is winding down very fast, and I have the usual panic attack coming, in regards to things that really should get done before cold weather attacks us. Jordan will be the last show for Rampy before going into my shop for a LOT of hard work. The coupe will also be there. If things work out ok, I will be able to work on at least 3 of MY cars this winter. I also have a lot of ham radio projects going on that take time. The mixed blessings this year have been the weather, great for lots of outdoor work, hamfests, car shows, etc but the worry is there about lack of water (especially if you are on a well!). So far, we are making it ok, but using the A/C a lot!

The shop stays ok to work in downstairs most of the time, but upstairs is very uncomfortable for most of the time.

On another note, The club tour for August was a fun tour of the Weedsport Dirt racing museum. Curator, Jack, gave us a wonderful tour, and movie, that even had the women watching dirt racing history. Then we went to Devaney's by the river for lunch. They served up HUGE sandwiches, and a nice salad bar. Then we skipped over to the Heart & Hand stand for ice cream, but he had to close early when his dog became very sick, needing a trip to the vet emergency office. So we went back to route 5 and a small stand by the trailer park. We got our ice cream...then called it a day.

We also had a good time at this years VW show. They were nice enough to put a few Corvair classes on the show list for the last several years. Once again, the weather held off for most of the show, until the last minutes of awards, not like the deluge at award time last year. I also came home from that show with some great ideas to apply to my fleet soon. I really enjoy talking to people that have shown imagination and talent in building something "different" than most other vehicles. The VW show always has a lot of this on the field.

Now we must get ready for the Jordan fall festival, and Wampsville. Then I will prepare to work my butt off all winter on my cars! I have been trying to do a winter like this for at least 10 years!.

I hope you send in your show applications on time (note the short window for Jordan Pre registration). Also, it is hard to reserve spaces at these shows for latecomers. So please arrive on time!

I hope to take a few more day trips with the truck before I tear it down. Soon it will have a lot of new parts installed. I found a few "bargains" at the CORSA convention that will be installed. We did take a spur of the moment trip to Norwich last week. I took lots of pictures like I always do. At least they now have a small Corvair display, including a 60 car and a display 60 motor. They have always updated things @ every 6 months. They keep this place and all displays super clean. I will include a few pictures...

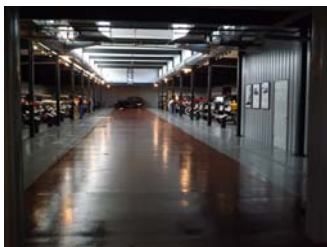

I hope I covered everything properly! Be sure to visit our fine website often, there are constant upgrades. <http://www.cnycorvair.com/>

Are you watching all the other newsletters we send along for your enjoyment and education?

PLEASE RESIST TEMPTATION TO "REPLY ALL " TO ANY OF MY POSTS! Thank you.

Regards, Tim Colson
