THE PREZ SEZ

This has been a busy month but September 2012 will soon be history. The show in Wampsville was another great show and we had a good showing for Corvairs on a beautiful Sunday afternoon. Another good show was at Fillmore Glen State Park. There were many cars on display, a lot of vendors and a terrific Chic BBQ. This is a show that the club should consider for next year.

The Chicken BBQ held in Vestal NY was great. The chicken dinner was prepared by Phil's Chicken and there was more than enough to eat. Entertainment was provided by Janet and Darrel, we also had a super turn out and everyone had a great time. Thank you's go out to Gloria, who chaired this event and to all those who assisted her with setting up of this event.

I am getting ready for the car show in Jordan NY tomorrow. This show will be over by the time you read this but I know there will be a good turnout for Corvairs. Ham on rye sandwiches, fresh home made donuts, chic BBQ, all ingredients for a super car show. Always a good time for the club.

Well, I guess this concludes my latest edition of The Prez Sez, we still have a few good weeks of good weather so get those Corvairs out and enjoy them.

PHIL CNYCC

Georgia Roving
by Len Smith

Car show pickin's are a little slim here this month. Many of the shows are too far away and expensive and the weather is usually hot and humid. The usual registration fee is \$15 to \$25 per car, with the average being \$20. There aren't any really big shows like Norwich or Wampsville or Jordan. Most of the shows draw around 50 - 60 cars. Perhaps that changes as the weather gets cooler. I guess that I've been spoiled by the central New York car show venues and our CNYCC activities.

I went back to the swap meet at Atlanta Dragway on September 1st. I drove my 65 Corsa turbo to put in the display area. There seems to be an increasing number of cars on display each month. Several people commented that they hadn't seen a Corvair in years. I got a lot of favorable comments about our favorite cars. I cruised the vendor aisles and found a rebuilt reversed Corvair steering box (for street rods) priced at \$185. Nothing else caught my attention or my money. I stayed for a couple of hours and then cruised home. See pictures on our website.

Sher and I went back to the Cruise-in in Maysville on September 8th. The weather was threatening all day, so we took just my Corsa. There were only about a dozen cars there; the weather must have scared some people off. I talked to one young man and his son who had never seen a Corvair. The father was full of questions and amazed by the car. Maybe he'll look for some more at other shows. Check the website for a few pictures.

Congratulations to Phil Domser and Bud Kaiser for their trophies at the Corvair National Convention. It was nice to see familiar names and faces in the Communique. Nice work, guys

Observation by Darrell Varley:

It has taken me a long time to figure out why our club is a special, fun loving group. Yes, we have our share of nice old cars, but it really is the people involved. The greatest example... We have our own **Bud and Lou...**

I can hear it now ...

Bud: "So I'll tell you what Lou, I'll drive the U-Drive."

Lou: "Bud, how can u-drive if I'm driving the U- Drive"

Bud: "No... I'll drive the U-Drive"

Lou: "Why don't you forget the U-Drive and I'll drive"

Bud: " Drive what?"

Lou: "a Lakewood with a taxi ad sign on top"

Bud: "You drive... Now, who's on first!"

OCTOBER TOUR

Date : Saturday, October 13th

Meeting at Mc Donald's, Downer St, Baldwinsville. McD's is located at the first B'ville exit of Rt 690, directly across from River Mall (you'll see Tops there). We'll leave there at 10:30 and from there will go to Owen's Orchard — a nice farm stand with apples, pumpkins, fruits, veggies and a small gift section. From there we'll take a nice back country road trip to the Cottage Inn for lunch. A nice family run restaurant and will have our own room and separate checks. Anyone that would like to leave for home from here can but we'll also continue on to Ontario Orchards for anyone that would like to go there too. Should be a beautiful ride for leaf peeping! Hope we see you all there!

TIM'S TECH TIME AND RAMBLIN'S

GREETINGS AGAIN, from my little shop in Memphis, NY.

Wow, what a year for shows and hot weather!. My shop stayed reasonably cool downstairs, If I could keep all doors shut. Upstairs gets uncomfortable by @10 am on hot days. I have equipment running up there that tends to warm it up.

I worked hard on the green truck, and a few chores on my own truck. I have one more motor to finish, Then ALL work in the shop will have to be my own cars at last!. I am so looking forward to that!

We have attended several car shows this year, but not one cruise in. Just way too busy here and with some Ham radio club things. We attended the Filmore Glen show, Wampsville, Jordan Fall Festival, and the great multi club picnic at Vestal. I feel this year was a good one, packed with good times. The only real setback for myself was the motor I put together for myself with pistons marked .040, that were really .030. That difference made a nice motor into junk. That whole project has been set aside, waiting for the right time to stay with it until completed. All new CORRECT parts are now here after being carefully checked. I am also rebuilding a rare correct 64 FC powerglide, and differential.

Well my long term project Loadside just left here on a trailer. Now to catch up.

We have driven the Rampside a lot of miles this summer, made a few shows with it, and lots of neat day trips. I have a very long list of upgrades planned for this winter, after the next 2 car tours.

I took a walk yesterday at the local used auto parts yard to get some electrical parts for some of my projects. I also took pictures of course. Most of the other parts are here waiting. I hope to have at least the rampy and the coupe done by spring. Note the word "hope".

The Corvair picnic at the park near Vestal was a very nice day. Lots of Corvairs showed up, including a good group from CNYCC, Pennsylvania, and surrounding areas. We were treated with great Chicken Barbeque from Phil's Chicken House, and entertainment by Darrel and his wife. It was well worth the trip.

We visited the show at Filmore Glen, but left before noon because of the extreme heat.

We had a good group of members Cars at the Wampsville show. We had the tents up and a good time with snacks etc during the day. Same for the Jordan fall festival, but it was a somewhat cool day if you were in the breeze. A lot of neat vehicles were there, including a good showing of Corvairs. Other than a couple of tours in the area, this kind of wraps up this season. I have included a few pictures of some of our fun times this summer elsewhere in this issue.

See you at our next meeting.

I hope I covered everything properly! Be sure to visit our fine website often, there are constant upgrades. <http://www.cnycorvair.com/>

Are you watching all the other newsletters we send along for your enjoyment and education?

Don't forget to register early for the nationals, If planning on going!! The host hotels ALWAYS fill early. It is MUCH more fun to be at the host hotel. Keep up to date at the C O R S A website. <http://www.corvair.org/>

PLEASE RESIST TEMPTATION TO "REPLY ALL " TO ANY OF MY POSTS! Thank you.

Regards, Tim Colson

Don't forget, Ron Fausak has a lot of Corvair parts to sell, and will be going south in about 30 days. So call him now at (315) 776-5852 with your needs.
