## PREZ SEZ

I hope everyone enjoyed their holiday season. The weather for December was great, no snow. So far this January we have had 2 storms, and dodged the bullet with the no-reaster that hammered the east coast. Temperatures are rising this week, finally.

Our after Christmas, Christmas party was held on January 3rd. Great time , great food and everyone had great time. Thank you Gloria for all of your work making arrangements for the dinner.

Our next get together will be at Denny's on the first Thursday of February, hope to see most of our members there. Snow Birds should be starting to return in a few weeks, hurry back we still have some winter left to enjoy.

I am being threatened again by the Editor of the Fan, don't want to miss another dead line. Till next month stay warm.

Phil CNYCC

## GEORGIA ROVING

by Len Smith

I believe Len is still out roving trying to find some car news for us. That or he's not roving and staying inside from rain.....  
or..... Hit by the blizzard of the year and wishing he didn't get rid of his snow shovel .....  
or ..... Is basking in the sun and just waiting to open that pool up again

### PLEASE NOTE

Club dues were increased to \$25 at a previous meeting. Dues are due May 1st but if you send them in early please remember to send the new rate. Our back page of the Fan has now been corrected to show this increase. My error in not changing it sooner. Thank you for your payments and cooperation!

## ACTIVITIES

Business meetings are held at Denny's Restaurant, 201 Lawrence Rd ( corner of Lawrence Rd and South Bay Rd ) in N Syracuse. The meeting will start at 7:00 but our waitress is available at 5:30 so you can have something to eat before the meeting if you'd like. Meetings are in the back room, we're given separate checks and if you have an AARP card you can get a 15% discount on your meal.

Feb 4th — business meeting Denny's

March 3rd — Business meeting Denny's

April 7th — Business meeting Denny's

May 5th — Business meeting Denny's

June 3rd & 4th — Recall — Hilton Garden Hotel

EVERY MONTH IS OPEN IN 2016 FOR ACTIVITIES IF ANYONE WOULD LIKE TO VOLUNTEER TO PLAN SOMETHING. IF YOU CAN PLEASE LET ME KNOW SO WE CAN FILL THAT MONTH AND PUBLICIZE IT. THANKS TO ANYONE THAT WOULD BE ABLE TO HELP OUT.

If you have any ideas please let us know. Everything is always subject to change. If there's subjects or projects you'd like covered at tech sessions, please let Tim know so we can plan that too. This all takes advance planning so please try to let us know early enough so we can make our events what you'd like.

STILL BEEN BETTER THAN  
MOST

## Kitchen Corner

### Valentine Day Salad

- 1 pkg Spring mix salad
- 1 cucumber, sliced
- 2 red peppers, seeded & with tops and bottoms removed
- 1 bunch radishes, sliced
- 1 small brick of mozzarella
- 10 -15 small plum tomatoes, halved
- ½ pkg salad topping crunchies, like a sesame stick type topping

- 1 bottle raspberry vinaigrette

Using a small heart shaped cookie Cutter, cut out heart shapes from the Cucumber, red peppers and mozzarella. Sprinkle the veggies over the salad, then the crunchies and dressing.

### Chicken Tetrazzini

- 12 oz fettuccini, cooked, drained
- 1 c sliced mushrooms
- ½ c onion, chopped
- 7 Tbl butter, divided
- ¼ c flour
- ¼ tsp pepper
- 2 c half and half
- ¼ c chicken broth
- 2 c cooked chicken, chopped
- 1/3 c grated parmesan
- 1 c bread crumbs

Saute mushrooms & onion in 1 Tbl butter, remove from skillet. Melt 4 Tbl butter in skillet; whisk in flour, salt & pepper, stirring till smooth & bubbly. Add half and half; boil 1 minute. Remove from heat; mix in broth, chicken, Fettuccini, & mushroom mixture. Spoon Into a greased 9 x 13 pan. Sprinkle with Parmesan. Melt remaining butter and Mix with bread

## SECRETARY'S REPORT

January 7, 2016

The January meeting of CNYCC was called to order at 7:06 by president Phil Domser.

There was no Secretary's report of December minutes to read as we did not have any meeting or event for December. November was approved as printed in the Fan.

Treasurer's Report given by Kevin. Rita asked if we could have a breakdown of monthly expenses and income in future reports. This will be included in all future reports.

Old Business;

Recall;

Dave reminded us we still need lots of door prizes.

It was suggested we need to expand advertising of our Recall event and personally ask people to attend and see what our club is all about.

We need games or things of interest to do in the parking lot.

We need to streamline the valve cover races.

Phil suggested we have a raffle or Clark's certificates of \$25, \$50 , and \$100 as a raffle.

Lori volunteered to make a basket of homemade candles for another raffle.

A Chinese auction was also suggested.

There will be the cruise in like we had last year on Friday night.

Phil mentioned a possible Brewery tour Friday afternoon but it was brought up that there probably would not be time enough to do that due to distance and length of tour and still make the cruise in. Other suggestions of a nearby tour may be better such as the Canal Museum, Salt Museum or French Fort.

Other Old Business;

Dave suggested more member try to plan a tour for our club to do in one of the available months this year.

New Business;

Lew said there will be a car show on Father's Day at the Scriba Fire House.

The 50/50 was drawn and won by Martha. Phil tried to claim it but Martha promptly donated her \$17 win back to the club. Thank you Martha.

Marge brought in a collage she made for Lew to take to Sweet Inspirations to promote our club. She included many other pictures to go along with it so they can be interchanged.

Dave McCarty had his knee operation this week. Gloria will take care of sending flowers to him from the club.

As pathetic as we were, we sang Happy Birthday to Kevin. Sorry we're so off key Kevin but we meant well!

Meeting adjourned at 7:38.

Those attending were Dave and Marge, Tim and Rita, Lori and Kevin, Phil and Martha, Lew and Clara and Gloria and Kevin.

Submitted by Rita Colson, acting secretary

## TIM'S TECH TIME AND RAMBLIN'S

HELLO AGAIN EVERYBODY !

Here I am again , yes, another crammed month. My plan was to work on my own projects until the first of the year , Well I did put in several hours on the turbo motor on the bench , and check out problems on the blue Spyder convertible. I will have to tear it down after all. In the meantime , thanks to a post on virtual vairs , the wire wheels are sold. So I will remove them when I am done with this issue.

My fun with the Lakewood continues . I have finished the brake rebuild , and the main and engine wire harness modifications. You have no idea how much fun I have had fixing all the things on this project. I repaired the heater box and blower , AND added a gas heater. It will give some heat without burning the gas , or burn gas and really heat things up. I added the extra wires for the Spyder dash, and a vacuum gauge feed pipe to the harness. I added a heavy main power feed to the front of the car for gas heater and different head lights etc. I converted it to a dual master cylinder and silicone fluid. I also had to remove the gas tank and repair leaks. I think I am almost ready to put gas in it , and start it up. Then I get to put an exhaust system on it. I have 140 manifolds on it and dual mufflers and pipes. Then I have to install the interior carpets and door panels. I am not sure what is up with only outer seat belt mounts , none on the inside. I feel like I have been building a car from the ground up....A lot of rust repairs and "cover ups". The outside of the car has a few areas of damage from storage etc , but has a pearl white paint in fair shape. Repairs were done to fenders with marine fiberglass which I left alone for now. It will never be a "show car" but will be a fun driver. I have put a few pictures of the work involved so far. I think I came up with a sturdy replacement for the red plastic hot wire tie point as used on late models , needed on Alternator conversions. I used a positive terminal from an alternator . On the Lakewood , I put it on the panel next to the battery . This way , I feed the post from the inside , out of sight. It looks neat , and is fail proof. Now I have to set it aside and get on with The broken blue Spyder.

When I get done with Phil's car , I need to fix up the rampy damage from spilled waste oil. The motor is covered with it , the cover was beyond repair , and the 10X10 tent is soaked with oil. So right now , the truck has no cover , which I need for the things I take to car shows , chairs , tables , etc. I hope to build something nice in time for this season.

The white / red rampy I worked on last winter , is undergoing a heavy body repair, and will back on the road this summer.

We look forward to another nice show season. As far as travels , we will only go to our VT show and local fun shows this year. We also have Ham radio events coming up.

Regards , from the "little frosty shop in Memphis (NY)" Tim Colson [http://www.cnycorvair.com/Little\\_Corvair\\_Shop.php](http://www.cnycorvair.com/Little_Corvair_Shop.php)

Thanks again to Jim for the wonderful website work!
