LABOR DAY

THE PREZ SEZ

PHIL IS ON "VACATION" AGAIN

CNYCC FALL TOUR

We were able to get Sunday September 25th for our annual Fall tour this year. We're making it a couple weeks earlier this year and have officially ordered a nice warm sunny day without wind for our Clayton River Rat Boat Tour.

To start our beautiful ride to the Thousand Island area we will meet at the Burger King in Central Square located right at the Rt 81 exit. This will make it easy for us to exit the parking lot and get on Rt 81 again. Come early and have a bite to eat there for breakfast and we'll plan on LEAVING at 10:00 to meet the boat in time.

The cost is \$35 per person and includes the narrated boat tour, a light lunch including your beverage and the tax and tip.

I need to have the head count asap if you will be able to come as we need a minimum of 20 people to cover our costs. All are welcome so if you have friends you'd like to have join us, please ask them to come.

Please E mail me at kb2hba@twcny.rr.com if you'll be attending.

I hope to see you all there! Dave

ACTIVITIES

Business meetings are held at Denny's Restaurant, 201 Lawrence Rd (corner of Lawrence Rd and South Bay Rd) in N Syracuse. The meeting will start at 7:00 but our waitress is available at 5:30 so you can have something to eat before the meeting if you'd like. Meetings are in the back room, we're given separate checks and if you have an AARP card you can get a 15% discount on your meal.

September 1st — business meeting Denny's

September 11th — Wampsville car show — entry form mailed in separate E mail. It's better to go in together so you can park as a group so maybe those that are going can meet at the Canastota McD's and leave there at 9:00 to caravan there.

September 18th — Jordan Fall Festival car show

September 25th — Dave has reserved the tour boat for Sunday Sept 25th. By moving it to September he's hoping the weather and color will be better for the scenic ride up there and calm waters for the tour. The cost is \$35 per person and includes our lunch and narrated tour of the islands. Dave needs a head count to know if we meet our 20 person minimum. Please E mail him asap at kb2hba@twcny.rr.com. We'll be meeting at Burger King in Central Square (located at the Rt 81 exit) and leave there at 10:00 for our ride up there.

November 13th — annual Corvair family Thanksgiving dinner at Tabatha's in Baldwinsville on Sunday Nov 13th . Meet at noon and we'll sit down to eat at 1:00. Again it will be served family style and have the delicious feast of turkey, dressing, mashed potatoes, green bean casserole, butternut squash, gravy, rolls, relish tray, pumpkin pie, coconut cream pie, chocolate cream pie, apple and cherry pies, and your beverage. Cost per son is \$25 which includes the dinner, beverage, dessert, and the tax and tip. I need reservations for the dinner so please let me know if you can attend. Call Rita at 689-3366 or E me at ritac44@aol.com.

December — no meeting or event. Happy Holidays!

If you have any ideas please let us know. Everything is always subject to change. If there's subjects or projects you'd like covered at tech sessions, please let Tim know so we can plan that too. This all takes advance planning so please try to let us know early enough so we can make our events what you'd like.

Call Tim or Rita at 689-3366 or E mail Tim at N2VZD@aol.com or Rita at ritac44@aol.com

I'll be setting up a schedule soon for next year's activities. If you have something in mind that would be fun for us to do as a group activity for any month that you'd be willing to arrange for us be sure to let me know so I can include it.

Kitchen Corner

Crock Pot Honey Ham

½ c apple juice
½ c orange juice
½ c brown sugar
½ c honey
1 ham

Combine the first four ingredients and pour over the ham in your crock pot. Cook on low 6 to 8 hours, brushing with glaze occasionally.

Sprouts with bacon

4 slices bacon
2 Tbl butter
1 lb brussel sprouts, halved
½ lrg onion, chopped
salt & pepper to taste

Cook and crumble the bacon. Add the butter to the bacon fat in the pan. Add the sprouts, onion salt & pepper and cook to golden color.

Pumpkin Rice Pudding

1 ½ c cooked rice
2 c milk
2 eggs
¾ c pumpkin puree
½ c sugar
¼ tsp salt
1/2 tsp pumpkin pie spice
½ tsp cinnamon
½ tsp vanilla

Preheat oven to 350.

In a bowl, whisk milk, eggs and pumpkin puree until combined. Whisk in sugar, salt, pumpkin pie spice, cinnamon and vanilla until combined. Stir in rice. Transfer to a glass baking dish. Bake 1 ¼ hr or until custard is set.

ALL ENTRIES ARE REQUIRED TO HAVE A FIRE EXTINGUISHER ON BOARD

Please return pre-registration form with payment (checks payable to Jordan Car Show) to
Jordan Car Show, P.O. Box 395, Jordan, NY 13080

HELLO AGAIN

Another exciting! month at the "little corvair shop in Memphis NY"

This month a few of us dedicated Corvair people attended the Port Byron show , and the VW show. We had a good time visiting under the club tent and showing off our vehicles. We think a lot of people skipped the VW show because of the weather report, but it never rained on us there. A few cloudy moments , but no rain.

I got a chance to do a few things on my own vehicles , but still spent hours on the Tuirbo motor for Phil. It is coming along , but getting the parts that were missing or needed plating or powder coating held me up some. I hope to fire it up soon.

The new frame and cover for the back of Rampy is now done. It looks great so far. Pictures are down below on this page. It was not cheap to do , but looks better than ever . It has much stronger "bows" supporting the canvas and a frame made from Oak instead of the old bulky pressure treated 2X6's. We have had a lot of positive comments so far. Now to finish other jobs on the Rampside that have been put off way to many times. We have not driven it as much this year because of the heat. By now I usually have 3-4000 miles on it , but only @1500 so far. The motor I built for it as an experiment has worked out OK , but has too much power for the present early (60-63) transmission. We drove it hard last weekend , for @200 miles including hills on Route 20 east and it has good performance considering the timing retarded to reduce pinging under loads when hot. I rebuilt a 64 FC transmission and will install it when we are done with the truck for this season. While the power train is out , I plan on extensive clean up and detailing to fix the mess caused by my massive oil spill last fall. Just pressure washing with degreaser is not enough to clean used synthetic oil.

Thanks to Dave , we have the Clayton boat tour again this year. It was fun last year , even if the weather was cool. I bet the weather will be much better this year being a few weeks earlier. I hope people reserve with Dave early , he has to pay the minimum fee soon. Please do not hold off calling him. Planning these events for a group requires work in the background , so please make it easier by letting the planners know early! These trips are a fun way to use and show off the cars.

We want to welcome our newest members , Laurie and Brendan Connor , to our group. They have a 64 convertible that was purchased at this years Syracuse Nationals . They found us at the VW show.

The white Lakewood (daisy) is running good now , after I rebuilt the oil pump. The gears had a very slight wear pattern on the edges , so I replaced them . So far , it runs good. This is another motor with bigger cylinders , high performance cam , and other upgrades. It has a 69 transmission I rebuilt last winter in it. It now needs all 4 springs and shocks replaced , it handles terrible. It looks very good from @20 ft considering how it was treated in the past. We hope to start driving it more soon.

The red 64 coupe with A/c is now in the shop awaiting my kind of "body work/paint". It has been sitting here all rebuilt far too long. It will need springs and shocks also , but not as bad as the wagon.

The Crampside is waiting for me to decide weather I am up to making it roadworthy , or selling it. I am also cleaning out several parts that I am sure I do not need , to sell them . All my turbo parts will go , along with a few other mostly motor parts. There will be Alternators (redone internal regulated) and rebuilt carbs in the lot. What I may do is set a date and have a "garage" sale from the shop. Sure hope we can work it in this season!

I have included pictures from some of the events we attended last month on the picture page.

I want to remind every one that a newsletter is an important part of a club , and in our case is REQUIRED in order to maintain our chapter status with CORSA . Without CORSA , we would not be able to do a lot of the things we do , including the Recall. SO please help support the FAN by submitting articles on time (or even early?) each month. . Many thanks to those who do.

We hope to you all on our Fall boat tour. Please call Dave now.

Regards, Tim Colson

DON'T FORGET TO VISIT <http://www.cnycorvair.com/CNYCorvair.php> OFTEN! Thanks to Jim Smith , webmaster

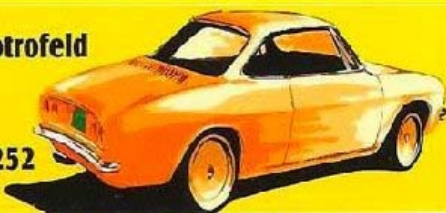

WE WISH TO THANK ALL THE SPONSORS AND SUPPORTERS OF OUR CLUB AND THE RECALL. WITHOUT THE HELP THEY PROVIDE WE COULD NOT DO IT, PLUS THE WORDS "CORVAIR PARTS AND SERVICES" WOULD BE HISTORY..

JOIN US
Corvair Fans come join the Central New York Corvair Club. We are a fun group! We have an outing every month and a business meeting once a month. We have tech sessions every once in a while. We would like new members and new ideas. We are a very social group and wives are always invited. For more information please call Kevin or Gloria Fear at 315-492-9553. We hope to see you at the next meeting.
