I AM LOOKING FORWARD TO SEEING THIS SIGN AGAIN SOON!!

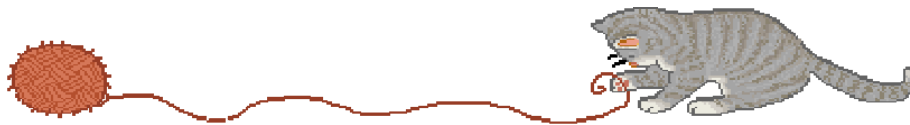

THE PREZ SEZ Feb 2022

Happy Valentine's Day. Another cold day in central New York, hopefully the last cold spell for this year. [minus 4] I also have a deadline for this important column which has passed.

I would like to thank Gloria for the Christmas party last month, it was great. We also had heat in the dining room which made it more comfortable than in previous years. Thanks go out to our new secretary for the club, Corina. I know she will do a great job in that position.

Show time will begin in April, about 6 more weeks, can't wait. It's been a long cold winter and we all need a break. That is all for now.

PLEASE NOTE

Meetings are returning to the first Sundays of the month. Located at the OTB Phoenix Sports Restaurant. OTB opens at 12...meetings will be at 2pm. We have our own room to eat and have our meetings. Meetings start 2:00 — please come earlier if you'd like to eat so we can start the meetings on time.

I need help! I found TONS of recipes here. One bunch is marked "all time favorites do not lose!!"

So they are handwritten or cut outs she had in a separate area. (there are shopping bags full of recipes here) So I need a typist to volunteer to type some of them into a simple text files for use in the newsletters. Can anyone help? I would like to keep her column alive with help. Contact me by email please. n2vzd@aol.com

TIM'S TECH TIME AND RAMBLIN'S

Greetings from "The Little Corvair Shop in Memphis NY". Some months I have a hard time getting inspired to get this column together. Once again I have had not much input from our long lost members. There just is not much going on out there. I have not been able to get out in my shop yet because of so much "business" going on here yet.

I have jumped thru the hoops to get the 64 coupe with factory A/C registered in my name again. It was in Rita's name to her Ham radio call sign plates on it. I kept insurance on it. Now to get paint of some kind on it. It is all apart waiting. For paint and details. It is a very good running car.

Well all plans are now messed up. The rampy motor sounds like a headgasket is failing. So I must work on it as quick as possible because I am not sure how much work I can do after the 2nd week in March. I am working as much as I can out in the shop and still stay on top of everything else here.

I was hoping a few more corvairs would join lonely old me at some of the really nice shows I like this year as a group? I know how hard it is to organize, but I plan on the Waterloo show, Fairhaven, Fast Eddies in Cato, Port Byron, The Orphan show in Minna, subject to not conflicting with some of my Ham radio shows. (also subject to Covid restrictions). As we get closer to show dates, I will post all the information I can. IF YOU get something that I might not, PLEASE send it to me.

I have a package of Waterloo registrations. If you want to fill them out at next meeting, he sent a prepared return to send them as a group. Mine went in before he sent the package. Lets try to give them a good club showing.

From Tim in Memphis (NY).

http://cnycorvair.com/Little_Corvair_Shop.php

(Thanks to webmaster Jim Smith)

I had the newsletter all done, ready to convert to PDF and it went poof! Many hours of work just went away. So a few things are missing.

THIS may be the last Powerglide and differential I ever do, I am getting tired!
This is a lot of work, and I have done several.

JOIN US
Corvairst Fans come join the Central New York
Corvairst Club. We are a fun group! We have
an outing every month and a business
meeting once a month. We have tech sessions
every once in a while. We would like new
members and new ideas. We are a very social
group and wives are always invited. For more
information please call Kevin or Gloria Fear
at 315-492-9553. We hope to see you at the
next meeting.
