## Are We Insured?

**Article by Pete Koehler**

Good question. Recently there was some discussion of whether or not DACC had insurance for some of our events. I checked with the National club's leaders and the answer is yes. As a chartered chapter of the Corvair Society of America (CORS A) we have insurance. This policy allows us to conduct meetings such as the monthly one at the 300 Bowl. For events like our annual Homecoming, we do need to request a certificate for the Hotel. If we were to sponsor a timed event like an autocross or a speed event (drag racing your Corvairs?) there would be an additional charge for that. Does this mean that only CORSA members are covered? No. The coverage is for our chapter. Membership in CORSA is not a requirement for membership in DACC. It is recommended for reasons just like the insurance that they provide so we can play with our Corvairs. Many other National car clubs first require membership in their group and THEN you can join a local organization. Not so with us. You can choose your level of involvement. I've been a member of CORSA ever since I first heard about them back in the late '70's. I recommend that if you are enthusiastic about our hobby, think about joining CORSA. Membership includes an excellent full color magazine with info on other Corvair activities around the country. Visit [www.Corvair.org](http://www.Corvair.org) or see me at any upcoming event. ■

I BORROWED THIS FROM THE DETROIT AREA CORVAIR NEWSLETTER  
I think it is valuable information! So please join and support C O R S A

### PLEASE NOTE

Meetings are returning to the first Thursday of the month. Located at the OTB Phoenix Sports Restaurant..

. We have our own room to eat and have our meetings. Meetings start 7:00 — please come earlier if you'd like to eat so we can start the meetings on time.

CNYC Meeting 3/6

In Attendance -

Bruce, Lew, Clara, Dave R, Marge, Tim, Phil, Martha, Wayne, Lynn  
Gloria, Kevin, LEE, Billie, Corina, Justin, David, Mary, Don  
Todd

Meeting called to order by Phil 1:48pm

Treasurer's report \$17,517.53

Motion to accept - Lew 2nd - Lee -  
motion Carried

Recall Business

- Registration form handed out + reviewed

**I need help! I found TONS of recipes here. One bunch is marked "all time favorites do not lose!!**

**So they are handwritten or cut outs she had in a separate area. ( there are shopping bags full of recipes here) So I need a typist to volunteer to type some of them into a simple text files for use in the newsletters. Can anyone help? I would like to keep her column alive with help. Contact me by email please. n2vzd@aol.com**

TIM'S TECH TIME AND RAMBLIN'S

Greetings from "The Little Corvair Shop in Memphis NY". Some months I have a hard time getting inspired to get this column together. Once again I have had not much input from our long lost members. There just is not much going on out there. I have not been able to get out in my shop yet because of so much "business" going on here yet.

I have jumped thru the hoops to get the 64 coupe with factory A/C registered in my name again. It was in Rita's name to her Ham radio call sign plates on it. I kept insurance on it. Now to get paint of some kind on it. It is all apart waiting. For paint and details. It is a very good running car.

Well all plans are now messed up. The rampy motor sounds like a head gasket is failing. So I must work on it as quick as possible because I am not sure how much work I can do after the 2nd week in March. I am working as much as I can out in the shop and still stay on top of everything else here.. Lately Medical appointments are taking much of my time. Hope it is over in time to enjoy summer more than the last few years.

One of my major projects is almost done ( I hope! ), so that will free up space in my shop and let me work on Phil's van. I also have a large punch list for my Rampy. And then there is the long lost coupe waiting for paint work. It does not do it any good sitting so long unused. It is such a fun car to drive. I have other projects waiting here, such as another motor rebuild, and the club display trailer. I would like so much to get that out to shows with a shiny turbo motor running soon. I can not lift much anymore, so it is hard for me to do much. Getting the motor off the trailer is an awkward job. There is a ton of work involved just cleaning parts. The other thing is to design a cover with features needed.

The group working on this years Recall is coming along nicely. It will be different, but surely a fun time. I think that location will be fun and the owners are very willing to help.

I was hoping a few more corvairs would join lonely old me at some of the really nice shows I like this year as a group? I know how hard it is to organize, but I plan on the Waterloo show, Fairhaven, Fast Eddies in Cato, Port Byron, The Orphan show in Minoa, subject to not conflicting with some of my Ham radio shows. (also subject to Covid restrictions). As we get closer to show dates, I will post all the information I can. IF YOU get something that I might not, PLEASE send it to me. It is getting harder every month here to do these things. Also remember I do not have a proof reader here anymore.

From Tim in Memphis (NY).
