TIM'S TECH TIME AND RAMBLIN'S

Greetings from "The Little Corvair Shop in Memphis NY". Some months I have a hard time getting inspired to get this column together. Once again I have had not much input from our long lost members. There just is not much going on out there. The group working on this years Recall is coming along nicely. It will be different , but surely a fun time. I think that location will be fun and the owners are very willing to help make it a success.

My latest way to spend time is a daily trip into Syracuse to lay under a monster Radiation Therapy machine. I have to do it for at least until June 29th. I also have a Chemo shot (REAL pain!) every 28 days for a while yet. So working in the shop or taking care of things here is very hard for now. I do get the lawn mowed (gut hurts on bumps , but could be worse). The cats are still uncontrollable , so I just grin and bear it. The 3 shows I really want to go to are Waterloo , Recall , and the Fairhaven show by Bayside Cruisers. I am having trouble finding info on the Fairhaven show. I will try for some of the other shows. I do get tired a lot. I enjoyed a nice Thousand Islands Ham radio show by having someone ride with me most of the way. That was a fun day , but I was super tired when I got home. It may take the rest of the year to recover , then they want to do another procedure on me to fix other issues. That one will be ugly , but should heal in a month or less.

I have fueled up rampy and ran it thru the car wash. Now I need to clean it up a little more best I can. Most of the water leaks going thru the car wash are gone , just a small one at the left vent window , which I foxed when I got home. I am in process of building motors again slowly. I just found out my machine shop doing heads is up for sale. He will get my 2 sets of heads done before he quits after 30 years of hard work , mostly 7 days a week. Last week they installe the headstone on the grave so that looks good now. The cemetery is only 2 miles from here and the grave is close to the road , so it is very easy for me to visit . It is right on my way to the village.

I was hoping a few more Corvairs would join lonely old me at some of the really nice shows I like this year as a group? I know how hard it is to organize , but I plan on the Waterloo show , Fairhaven , Fast Eddies in Cato , Port Byron , The Orphan show in Minoa , subject to not conflicting with some of my Ham radio shows. (also subject to Covid restrictions). As we get closer to show dates , I will post all the information I can. IF YOU get something that I might not , PLEASE send it to me. It is getting harder every month here to do these things. Also remember I do not have a proof reader here anymore . I hope to see a lot of you and your cars at Recall. Yes it will be hard for me.

From Tim in Memphis (NY).
