2022 CNYCC OFFICERS

Greetings from "The Little Corvair Shop in Memphis NY". Some months I have a hard time getting inspired to get this column together. Then I get rolling and run out of space! Sorry I am slow at it, but I am very busy here wondering when I can "retire"

Most of my time now is with medical stuff. I will be glad when they find the problems. Right now, I am not able to do much in the shop. The truck is running good, but I want to make some changes to it this winter. I am unable to do much on the 8 door van project. But once in a while I run it a while to burn up the very old gas and keep things lubed up. I am able to stand or sit at the bench to do small projects. No heavy lifting yet. My friends have been keeping me active by carting my sorry butt to car shows and lots of other places of interest. I enjoy that a lot. BUT I feel a lot better for now. I start a new adventure Nov 1, A lifetime of weekly shots for blood issues. I will be cleaning out the house and the shop soon. I have no interest in moving, but I sure want to clean up my act. This month will be tough on me, more serious medical things along with memories, such as anniversary Oct 11, her Birthday Oct 9, and her passing Oct 31.

I AM SLOWLY SETTING UP TO FINISH WHAT I can on the 8dr van project and some of my own stuff. I am able to do a little out in the shop, but a 3 week dose of Civid took a lot out of me.

I had some very nice times at car shows and other events I would not have been able to attend without the help I had. It made a lot of painful things into good times, So I am very thankful for the help. Also my neighbors have worked hard thru this to keep me safe and alive. My life is very different /difficult now in many ways.

Also PLEASE send pictures to the club website when you can. Let the rest of the Corvair world know what's going on here. You must be doing something to or with your vehicles? Let us know what you are doing.

That's it for now From Tim in Memphis (NY).
