## THE PREZ SAYS

The Prez Sez Dec. 2022

Holiday season is here, a great time of year for all. It is my understanding that our Thanksgiving dinner at OTB was great, good food and plenty of it.

Not much going on with Corvairs, hopefully our Corvairs are put away for the winter months. Three to four months from now these cars can be taken out of hibernation for Spring Of 2023.

Christmas party will be next on the Club agenda, hopefully we have a great turnout. Thats all for this month, have a great Holiday Season.  
CNYCC

Phil

## 2022 CNYCC OFFICERS

Santa Claus is coming to town

Greetings from "The Little Corvair Shop in Memphis NY". Some months I have a hard time getting inspired to get this column together. Then I get rolling and run out of space! Sorry I am slow at it, but I am very busy here wondering when I can "retire"

Most of my time now is with medical stuff. I will be glad when they find the problems. Right now, I am not able to do much in the shop. I am working towards selling the 64 A/C coupe unfinished. I have been working on buying the White 62 Lakewood Monza back soon. I hope to have it ready to drive for next season. They say it has a knock in the motor so I will be ready to fix that. I think I know what happened to it, so it will be fun getting it going. I was told it is running but has noises from the motor.

I have been stuffing the 64 A/C coupe with all the parts that belong to it. I bought a LOT of new parts for it from Clark's and rebuilt everything. Motor is one of my .060 over full fin cylinder with a high performance cam etc. I put dual stock mufflers with 140 manifolds on it. It just needs paint, headliner and reassembly mostly. The car is from Texas so hard to find any rust issues on it. It also has Hands Wheels on it.

Also PLEASE send pictures to the club website when you can. Let the rest of the Corvair world know what's going on here. You must be doing something to or with your vehicles? Let us know what you are doing.

That's it for now From Tim in Memphis (NY).
