PHIL UPDATE

Phil has been in the hospital @ 3 weeks with problems. He is now doing better recovering from surgery. It has been a hard time for him and family. I will work on getting his loadside to the Recall.

FROM OUR WEBMASTER JIM SMITH

Once again, there will be an entry in the club members menu to enable any pictures taken at the Recall to be uploaded for display on a page for pictures from the 2023 Recall. If you have any pictures that you want to share please upload them. As an alternative, you may email them to pics@cnycorvaair.com and I will upload them giving the appropriate credit.

Bacon and Egg Breakfast Tarts

Makes 4 small tarts

" Perfect selection for a brunch, but also convenient enough for serving on a weekday. Instead of Canadian bacon, try using 1/2 cup diced cooked ham or 1/2 cup crumbled cooked bacon. Place 2 tablespoons of meat into each pastry cup. "

- 1 (11 ounce) package pie crust mix
- 1 (6 ounce) package Canadian-style bacon
- 1 cup shredded Cheddar cheese
- 4 eggs
- 1/4 cup milk
- 1/4 teaspoon ground nutmeg
- 1/4 teaspoon ground black pepper

Directions

- 1Preheat oven to 425 degrees F (220 degrees C).
- 2Prepare pastry for a one crust pie as directed on package. Divide pastry into 4 equal parts. Roll each part into a 6 inch circle on a well floured, cloth covered board with a floured, cloth covered rolling pin. Fit pastry over backs of large muffin cups (3 x 1 1/2 inch), or 6 ounce custard cups; make pleats so pastry will fit closely. If using individual pie pans or tart pans, cut circles 1 inch larger than inverted pans, and fit into pans. Prick surface. Place tarts on an ungreased cookie sheet.
- 3Bake until light brown, about 8 to 10 minutes. Cool 5 minutes, and carefully remove from cups. Reduce oven temperature to 350 degrees F (175 degrees C).
- 4Place 2 bacon slices in the bottom of each pastry cup. Sprinkle cheese over the meat, making slight well in centers. Break 1 egg into each. Add 1 tablespoon milk into each tart. Sprinkle with nutmeg and pepper. Place tarts on an ungreased cookie sheet
- 5Bake until eggs are soft cooked, about 15 to 20 min

TIM'S TECH TIME AND RAMBLIN'S

This month has been another busy one. We did a show unplanned. It was a good time , and should have had a group of club cars together. Show was part of a nice Family festival in N.Syracuse. We also did the Waterloo show , which was again a huge casual show. There were a couple other Corvairs there. I did not walk as much as I used to , so got reports from others on what was there. Too bad we cant do more as a group at these shows. Last year I was second in line for Jordan Fall festival , and had to stand ground to save our spot out back on the circle. This year I may not be able to get there early enough , so somebody else will have to get up early and save our spot. You know how much more fun it is to be together at these things , but it takes getting up early to do it. I hope we can work something out as a group to attend these shows together.

We are looking forward to Recall. I will be picking up Phil's loadside to display there . He really wants it there. not sure if I will bring rampy or not this year , might be too much to pull off.

I also found a brand new universal towbar in my shop I no longer need \$75.00 The headlights pictures are a set of 4 costly halogen that I want to sell. All sorts of things in the shop need to be sold.

I hope to get the truck cleaned up soon , I have been driving it a bit. It runs great . I have not been able to finish the Lakewood yet due to a lot of things going on. I also work on the long going project of the 8 door Van from Phil. Speaking of Phil, he plans on showing off his Loadside pickup. It came out of Dave's shop as a real gem. It has another of my motor creations in it. The side pipes sound great going thru the gears..

MY plans for car shows this year may not include as many as I would like but I will try for the Waterloo Wheels on Main ST. show , Fairhaven show , Port Byron , AACA at Clay town Park, The Jordan Fall festival, and the Orphan show in Minoa. I hope the rest of the club shows up also.

That's it for now From Tim in Memphis (NY).

(Thanks to webmaster Jim Smith)

I have this set of Halogen bulbs from another project left over. They are now for sale \$100.00 which is less than I paid for them. Contact Tim if interested please. N2vzd@aol.com

My 64 A/C coupe will be for sale soon. Long story. I bought this car in @2006. It is a former Texas car, so no rust issues. I built the motor from a low mileage 65 A/C motor. It includes .060 full fin cylinders, Otto cam, the good electronic ignition I rebuilt the transmission and differential. I bought a lot of new parts, carpets, door panels, all cardboards. There are a LOT of new parts included. Most issues are paint and body. We drove the car for @ 2 years until I built the replacement motor when the one in the car dropped a valve seat because of incorrect work on shrouds. Windshield has a wiper burn, so a replacement glass and gasket are included. It has HANDS wheels with low mileage tires. It has a new padded dash.. You must look at it to understand the value of this package. \$8500 green cash
