## THE PREZ SEZ

July is here, happy 4th of July. Our Recall for this year 2024 is now history, We all had a great time and had over 30 Corvairs at the Recall, The weather was not the best but we made the most of it. Thanks to all club members and Recall chairman Lew for making this years show a success.

Our thoughts and prayers go out to Clara H. who was in a bad accident on June 17th. It is my understanding that she doing well and on the road to recovery. Tim, sorry i am late with this months The Prez Sez but here it is. See everyone at the next meeting.

### TIM'S TECH TIME AND RAMBLIN'S

This month has been another busy one. A lot of my time now is taken up going to medical appointments. I try to find time to work in the shop as much as possible. I need to finish a few more details on Phil's 8DR before it can move. I hope to feel up to it soon. Its hard for me to get under a dash right now, My shop is snug right now , but I can get the mower out and the Rampside without shuffling as before. I do not get to run Rampy as much as I used to , just way too much going on , including a lot of medical appointments.

I have the makings of another FC motor on the bench. This one is a little tamer , stock 304 cam , 030 over pistons in a stock 145 case . The mod to make it fit is the rods this time instead of the case. It was shown how to do years ago in one of my magazines "Hotrodding the Compacts". It covered Corvair, Plymouth Valiant slant 6 , and Ford Falcon 6 mods of all kinds . Lots of good ideas , and ads for speed equipment back in the day. I have a large collection of Corvair related literature and parts books, plus a FULL set of the Communique well organized until a few years ago. I also own a rare Rochester Carburetor engineering book with detailed information on all Corvair Carbs by manufacture number tag. Very handy sometimes because most carbs have been messed up with wrong internal parts by now. I think I have now rebuilt all complete carbs I own , so the rest of the parts collection may be sold off. Just part of such things I think about now. Thinking of what happens to my stuff in the future.

It was nice to see all the Recall activities go so well in spite of the weather slowing things down at first. But by mid morning all was well and the cars shined in the sun. It also good to see some of the people from the past back at it. Lots of good help paid off. Bruce was recognized at the banquet for all the ads he generated for the program which supports a lot of our expenses .Lew and crew did a super job again. Dave Robinson enjoyed providing the music outside during the display of cars. I hear he also does music for a Monday night cruise in at Jakes. Our other Dave provided great entertainment at the banquet.

Sorry to hear about Clara being injured in an accident. Recently requiring surgery and rehab time. Hope she mends quickly and can rejoin us.

I am not sure , but am going to try attending the July 6 Fairhaven car show , a long time favorite, Port Byron (I may have conflict ) and Jordan Fall Festival Sept 22. I have many fond memories of past shows there.

My other hobby , ham radio , still keeps me busy also. I had a good time with a local club doing annual ham radio field days making lots of radio contacts for several hours on Saturday and Sunday.

It was another nice Recall. Several nice cars , and FC's there including a fresh off the hoist restored Rampy. . Recall 2024 was another success.. I am glad to see it still going after all these years. It is not easy to do. Thanks to all involved.

I have not heard if anyone from our club will be "carrying our CNYCC banner " to the 2024 nationals at Dayton yet. I miss going to CORSA nationals , but glad to have attended @25 over the years , working at 2 ..

Also , several of our group plan on attending the Syracuse Nationals , [Friday, July 19th through Sunday, July 21st 2024](#)

That's it for now From Tim in Memphis (NY). [http://cnycorvair.com/Little\\_Corvair\\_Shop.php](http://cnycorvair.com/Little_Corvair_Shop.php)

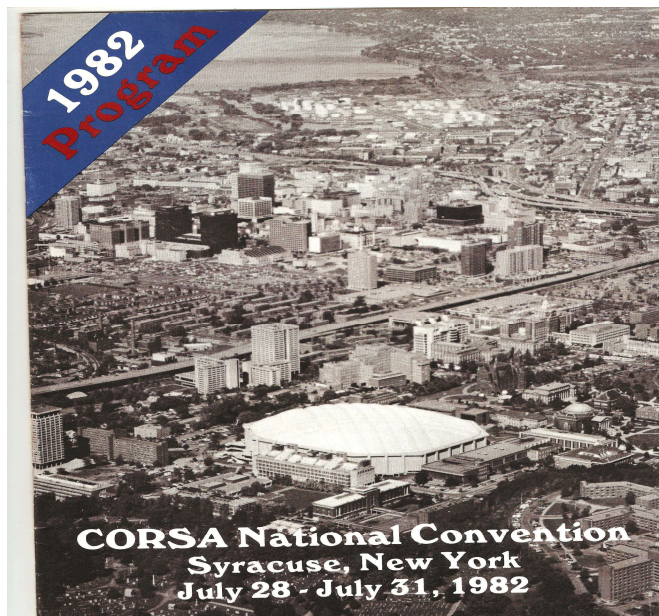

REMEMBER : meeting for July is on the 11th because of conflict with July 4th holiday. See you there!
