### "The Prez Says"

The 49th Annual Corvair Recall was held on June 13, 14, and 15, and it proved to be a tremendous success. I extend my sincere gratitude to all individuals involved in the planning and execution of the event. Such an occasion would not be possible without the dedication and hard work of our volunteers.

We were fortunate with favorable weather, and a total of 21 Corvairs were proudly showcased. In addition to the car displays, raffles, and valve cover racing, the banquet provided wonderful opportunities for attendees to reconnect, share stories, and enjoy each other's company.

As we look ahead and prepare for the 50th anniversary of the Corvair Recall, I am excited to see what our club can accomplish. Let's continue the momentum—and keep driving those Corvairs!

It was a pleasure meeting so many new individuals at this year's Corvair Recall. Thank you for the kind words and continued encouragement. This month's issue of the Fan is dedicated to the 49th Annual Recall.

Jim reached out to remind everyone that registered members may log in and upload their photos from the event. We encourage you to share your pictures. Each year, Jim adds the necessary pages to facilitate photo uploads and display. These images can then be viewed on the Events page.

I will not be able to attend the July 10 club meeting due to a scheduled vacation, but I look forward to seeing many of you at the Nationals. If you are attending, please consider stopping by the "Memories on Main Street" display in the Science and Industry Building. I am honored that my 1966 Monza will be included in the exhibit.

As a reminder, I am seeking volunteers who would be interested in having their vehicles featured in a future issue. If you are interested in showcasing your car, please feel free to reach out.

## Corvair Recall Wrap-up

The 2025 Corvair Recall, hosted by the Central New York Corvair Club, officially kicked off at 3 p.m. on Friday, June 13. This year's event was held at the Hampton Inn in Liverpool, NY, and attendees were all hoping for a break from the rainy weekends Central New York has experienced so far this year.

As more Corvairs arrived and filled the parking lot, the hospitality room began to take shape led by Corina, Marge and all the volunteers. At 7 p.m., Lew led a cruise down State Route 31 to the Hickory Hill Ice Cream Stand for a casual ice cream social, followed by a scenic ride through Radisson.

Saturday morning began with some damp Corvairs, thanks to an overnight rain shower, but the skies soon cleared. After breakfast at the hotel, preparations began for the car show. By 10 a.m., 21 Corvairs were parked, polished, and ready for judging. It was a great turnout, representing a wide range of models from throughout the years.

Meanwhile, the hospitality room was buzzing with activity. Guests enjoyed cake, snacks, and drinks, while Phat Guy Burgers served up a delicious lunch outside. The room was filled with conversation, laughter, and stories—many attendees catching up with friends they hadn't seen since last year's event.

At 12:30, raffle tickets were drawn and the valve cover racetrack was assembled. Races began at 1 p.m., featuring both lightweight and heavyweight classes. The variety of creative builds always makes this a fun and crowd-pleasing event. A big thank-you to Titus Stewart, who served as the official starter, and to all the racers who made it such a success!

## Corvair Recall Wrap-up

Saturday wrapped up with a lively banquet at Jake's Grub and Grog, where live music was provided by Dave Domicolo. After dinner, awards were presented for both the valve cover races and the car show, recognizing standout entries across the board.

Best of Show was awarded to Neal Duffy's 1966 Corsa Convertible—congratulations to Neal and to all of this year's winners!

To close out the evening, Titus Stewart gave attendees a preview of the upcoming 2026 CORSA Convention, which will be held in Gettysburg, PA, from June 22 through June 26, 2026.

It was a perfect way to wrap up a day—and a weekend—filled with great cars, great people, and great memories. Looking forward to the 50<sup>th</sup> Corvair Recall in 2026!
